Let us do

H. Class project

Divide the class into four teams.

TEAM 1: Find information on five migratory birds.

TEAM 2: Find information on five migratory mammals.

TEAM 3: Gather information on why animals migrate, the most popular routes they take and the instincts they follow while migrating.

TEAM 4: Find out five interesting facts on migration, and migratory birds and animals.

Now put all your information together and make a class display.

Visit rsgr.in/lsc-5 and click on LINK 5 to know about the migration of birds.

I. Visit a national park, a wildlife sanctuary or a bird sanctuary. TO VISIT

In our country there are many national parks, wildlife sanctuaries and bird sanctuaries where animals live without fear of being hunted by man. Visit one of these if it is near your town. Watch animals in their natural environment.

Look at the map of India shown alongside and name the following.

1. One bird sanctuary situated in
   - Haryana Sultanpur
   - Karnataka Ghalaprabha
2. One National Park situated in
   - Uttarakhand Nanda Devi
   - Assam Kaziranga
3. One wildlife sanctuary situated in
   - Telangana Kawal
   - Kerala Idukki
