

Subject : Relaunch of ODM Connect Mobile App & Report Card

Dear Parents/Students

Greetings from ODM Educational Group!

This is to inform you that our Technical Team has upgraded ODM Connect Mobile App with new features. We would request you to update your mobile app to access full features of ODM Connect!
In the new upgradation you will find the following features!

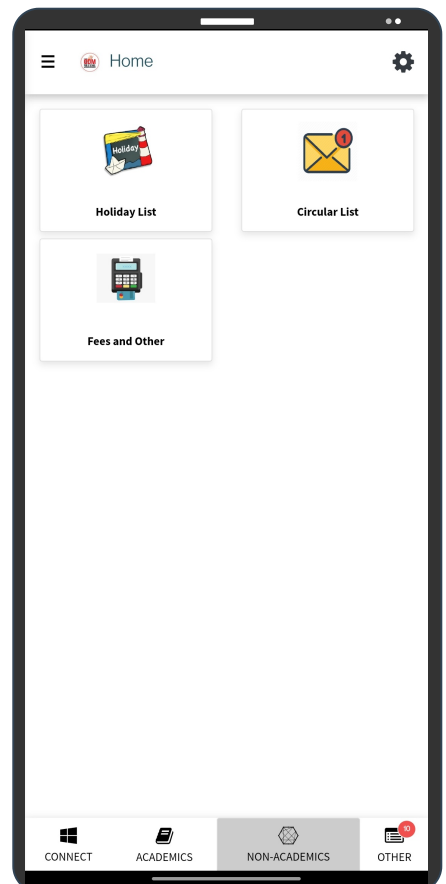

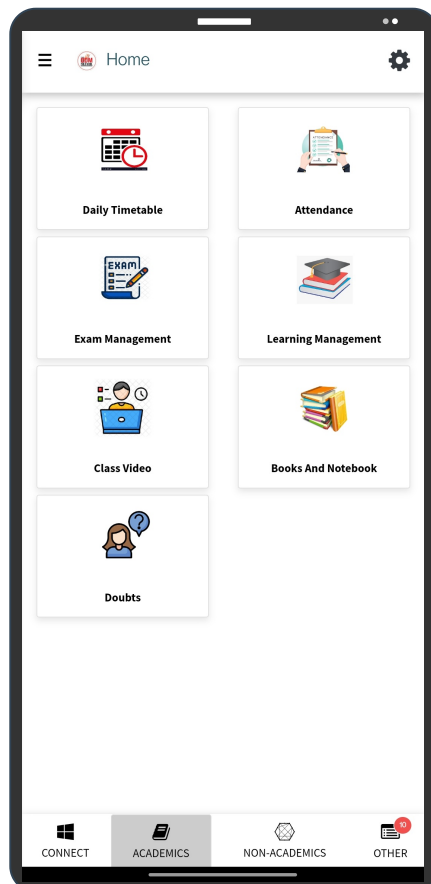

1. ODM Feed (In-House social media)

2. Academic Module

- Daily Timetable
- Attendance
- Exam Management
- Learning Management
- Learning Videos
- Doubt Management

3. Non-Academics

- Holiday List
- Circular List
- Fees & Others

How to Download Report Card?

The Result is published by the Examination Team and you can download your report card from ODM Connect by following mentioned steps :-

1. Update your ODM Connect App
2. Login with your registered Email ID & Password
3. Go to Academics
4. Click on Exam Management
5. Click on Report Card

And you will be able to download your report card!

Once new session(2022-23) will be activated the same report card can be downloaded/viewed from the "Previous Report Card".

What are the new features in Report Card?

Parents/Student will be able to see his/her child's Marks Analysis. (Class wise & Section wise)

For example :-

- Class Highest
- Class Lowest
- Class Average
- Your child's obtained Score

Note : If your child's obtained score is less then Class Average score, it means your child need to improve in that particular area or subject!

This is how Class Level Analysis & Section Level Analysis works!

Note :

1. **If your previous session due is pending then you will not be able to download or view report card.**
2. Please clear your dues to View/Download the Report Card.

From where I can clear my previous session fee in New ODM Connect App?

1. Click on Non-Academic
2. Click on Fees & Others.
3. Click on Previous Session Fees

Here you will be able to pay your previous session fees!

Thanks & Regards!

ODM Educational Group.
