ODM-CONNECT

ODM's ERP Software

Dear Parents,

ODM Education Foundation believes our parents & students are doing well in this pandemic!

We are glad to inform you that we have our own ERP Software **"ODM CONNECT"** which is available in Playstore, in Web Version, and iOS app store. Students / Parents are requested to download the "ODM Connect" mobile app from Playstore/Appstore to enjoy the 360 Degree online platform of the ODM Education Foundation.

I sincerely urge you to take out the next 3 mins to read through the information below carefully to avoid confusion of any kind.

With a single tap in ODM Connect, you will be able to access the following features!

1. LEARNING MANAGEMENT SYSTEM.

All the Study notes, Worksheets, Teachers ppt, Question Bank, Classroom Recorded Videos can be accessed through this feature of ODM Connect!

2. DOUBT CLEARING MODULE - (Inside Learning Management System.) With a single tap, students can raise as many as doubt which will be sent to the respective subject teacher and students can get their doubts clear with the help of this feature!

3. ATTENDANCE MANAGEMENT.

ODM never compromises with the attendance of students! Students can track their daily level attendance here!

4. FEES MANAGEMENT!

Parents can view Paid, Unpaid & Future Invoice. Considering the busy schedule of the parents, ODM Connect - Fees Management module allows parents to pay School Fee from anywhere at any time with a single tap!

5. NOTICE & CIRCULAR!

No Parents or Students want to miss any important updates from the School. Considering this, ODM allows parents to view all the latest and old notices & circulars in this feature! Parents are allowed to download the notices as well.

6. HOMEWORK

Considering the pandemic situation and online classes, ODM has built a feature where teachers directly upload the homework in ODM Connect from Teacher's Portal & Students can view & upload the homework with the help of ODM Connect!

7. DAILY TIMETABLE

Here in this feature, students will be able to track daily timetables for each period on a daily wise!

8. MARKS MANAGEMENT

Students will be able to check the marks obtained subject-wise with respect to the examination with the help of this in-built feature! Moreover, Students will be able to see the class highest, lowest & average for the particular subjects!

9. EXAM TIMETABLE

For the upcoming exams, students will be able to see the exam timetable in this particular feature! Moreover, students can see the exam dates, timing & subject here!

10. HOLIDAY LIST

A list of all the holidays for an academic year has been uploaded under this feature where students can get all the details!

Points to Note:

1. Within the next 24-48 hours **(Latest by 14 Nov 2021)**, you will receive the login ID, and Password in your registered email id. Please keep an eye out for your login information in your mailbox & SMS section on the phone. However, in the unlikely event of not receiving login credentials, *please try the 'LOGIN HELP' section on https://odmconnect.com/.*

2. If some errors might have unwittingly creped in your login details, fees payment or dues, or in the timetable, please don't panic or worry, instead please bring the same to our notice & we will take care of it for you.

Note: The features available on the app are still under process. We are working on it to update so kindly ignore if there is no data / inaccurate data if any is reflected in the app. We will soon rectify/ update this in the due course of time and notify you.

CHANGING YOUR TOMORROW

We urge the students and parents that if they spot any error in data in ODM-connect, please feel free to write to us, and I assure you that we will immediately take steps to resolve it.

So before you write a negative review on the play store or iOS store or write angry emails to us, please try to let us know of the problem and give us some time to solve it. I am sure you will cooperate with us in this regard. Please remember that it's your school, and you are an equal stakeholder in its reputation.

Finally, for your convenience, if you have any issue in terms of Login ID, or any inaccurate data, or any bug or technical glitch, please do fill this form, and our support team will swing into action immediately.
