**TECHNICAL SUPPORT | ODM-CONNECT
FOR PAYMENT OF SCHOOL FEES**

Dear Parents,

Greetings of the Day!

1. It has come to our notice that few parents are not using the ODM CONNECT APP for online fees deposit.
2. This is once again to reiterate that ODM CONNECT APP is very easy, secured, and convenient for paying the school dues and getting your receipt instantly, which saves your and our precious time.
3. However, in case any parent finds any inconvenience, he/she can come to the **school- reception counter** and avail technical guidance from our team.
4. We will conduct a physical demo session from 23.08.21 to 28.08.21, and our team will be there at the cash/reception counter for your technical support from 8.30 AM to 9.30 AM.

Regards
