## **SCHOOL TRANSPORTATION CONSENT FORM**

Dear Parent,

We are planning to resume the transport facility latest by 2nd Week of December. Parents who are wishing to opt for the transportation facility for their children are requested to kindly share their consent by filling the consent form. Please note the following-

I. We have revised the pricing owing to the hike in diesel prices over the last 2 years. The pricing this time also has been restructured into three slabs as mentioned below-

<b>Distance from School</b>	<b>Price/Month</b>
Within 10 kms	INR 2900
Above 10 kms	INR 3900
Special Case- Trishulia (Cuttack) & Jatni	INR 4500

This pricing will be the same for all the students irrespective of wing or class.

II. The transportation service for this year will be only available once the students fill the consent form latest by 25th November 2021 (06:30 pm) and also after that, pay the quarterly advance for the transportation fees through the ODM Connect App. Once the consent is received, the transportation fees for the quarter will be updated within 3-4 working days, and then parents would be required to pay the fees through the app.

III. You can fill the transportation consent form by clicking on this link-
