CLASS SUSPENSION NOTICE | LKG-X

Dear Parents,

We are compelled to announce this for those parents who have not cleared fees up to the **2nd quarter** in spite of several reminders, that the school will be bound to stop all services effective from **03.01.2022**.

Treat this as a final notice from our end, and please also consider that you will be alone responsible for the depriving of your child from his regular study. So we sincerely request your co-operation for clearing up outstanding dues.

Note: **Kindly ignore this, if you have already paid.**

If anyone has any issues regarding fees, please mail us at HappinessHelpDesk@odmegroup.org

With Warm Regards

Team ODM !
