LATE FINE NOTICE | STD-XI

Dear Parent,

We are compelled to share this for those parents who have not cleared fees up to **3rd installment** in spite of several requests & reminders, that the school will be forced to charge the late fine effective from **28.12.2021** for those who are not clearing the dues by 27th Dec.

Late Fees Will Be Applicable From	28-12-2021
Late Fees Will Be Applicable On	1st, 2nd & 3rd Installment Respectively
Late Fees Charges (Per Day)	INR 60
Example: If a parent pays fees on 30th Dec, then considering 3days delay, the late fine would be INR 180 (for each Installment)	

N: B - Kindly note that the late fine charges will be increasing every day and hence it is requested to clear the same by the due date to avoid the late fine. Our intention is never to collect the late fines from our parents, but with parents not paying fees timely, it is becoming compellingly difficult for us to manage the day-to-day operations of the school.

All payments must be done through **ODM-CONNECT App** only.

Note: **Kindly ignore this, if you have already paid.**

If anyone has any issue regarding fees, please mail us at HappinessHelpDesk@odmegroup.org

With Warm Regards

Team ODM !
