GROWTH INDEX

Designing academic growth index for students to assess holistic development.

RESULT ANALYSIS

Periodic assessment and result declaration along with the analysis of students performance.

SENSORY ACTIVITIES

Pre- primary students have learnt about the five senses through different activities.

PARENT GRIEVANCE :

ODMGR-06871 Inbox

H Happiness Help Desk 2 days ago
to Sadhyarani, Ipsita, me, Sou...

GRIEVANCE: Cambridge class timings to be changed. The class timings for Cambridge class is 3.30 pm for two days (Wednesday and Thursday). It became very difficult to join those two classes in the afternoon. As we both are working, we are not with him during those periods. He is unable to attend. Kindly shift those two

GRIEVANCE TRENDING

In an effort to address parents' grievances, happiness helpdesk has been introduced with 24 hour deadline of issue resolving.

DEVELOPING MOTOR SKILLS

Gross and fine motor skills of primary children were developed through activities.

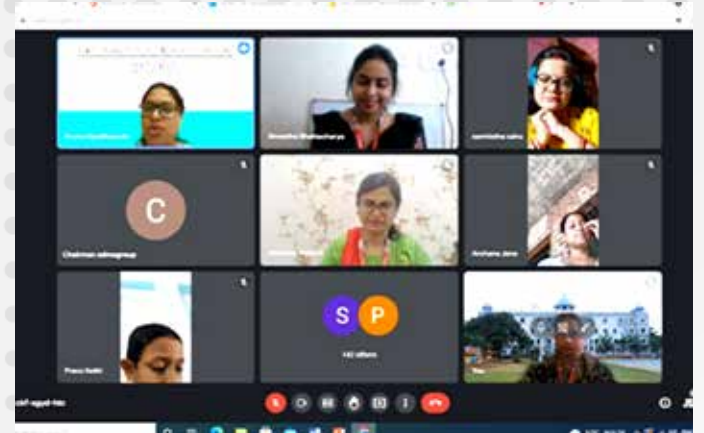

PARENT TEACHER MEETING.

The interaction between parents and teachers is vital for the progress of children. Offline PTM provided an opportunity to parents to voice their concerns, meet the teachers and get answers to their queries.

LEARNING IN DOING

The best way to learn a concept is to do activities related to it. Many such activities have been designed to facilitate the students in learning a concept better.

MOTHERS ORIENTATION PROGRAM.

When we educate a mother, we educate a family. Many orientation programs have been conducted.

FUN FILLED ACTIVITIES.

Learning can be fun when backed with fulfilled activities.

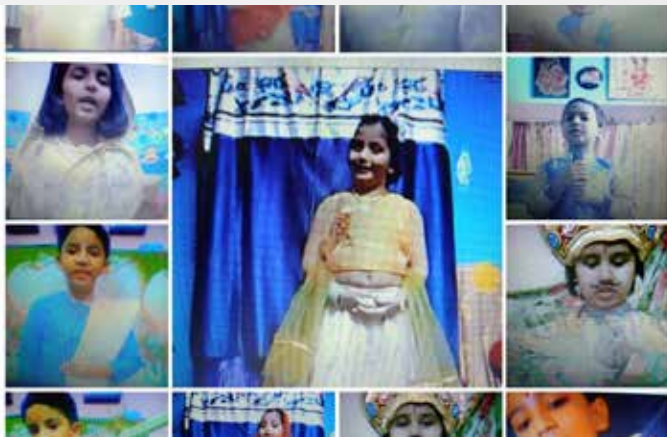

STUDENTS CONNECTIVITY PROGRAM.

Connecting to students on different issues and helping them research was the major focus.

TWINKLE BUD CHILDREN'S MAGAZINE

A magazine showcasing children's activities and creativity has been released for primary kids,

MODEL CLASS

Online show of talent was focused in model class

PARENTS CONNECT PROGRAM

Spending quality time with the child and engaging in productive activities proved fruitful.

QUIZ AND GAMING ACTIVITY.

Gamification in learning is the most popular concept today. Through Quiz and various games, simplification of concepts and assessment of learning was established.

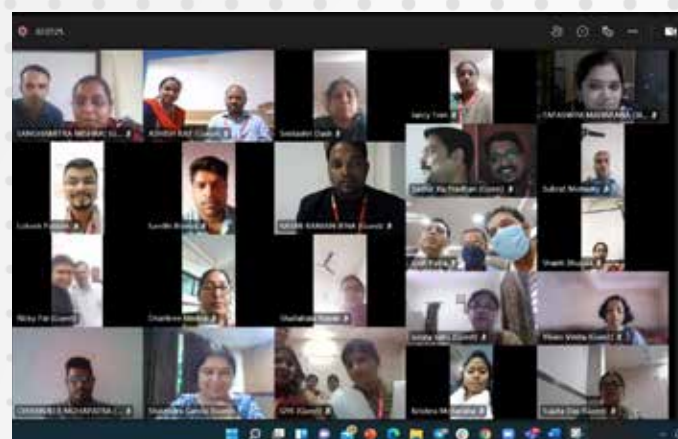

BLENDED MODE FOR LAB CLASSES.

Practical approach to scientific understanding can't be denied. Due to COVID situation both online and offline lab classes have been conducted for students.

VIRTUAL TOUR

As physical tours were restricted, virtual tours have been organised to give a feel to the students.

PROFESSIONAL DEVELOPMENT

CPD of teachers through CBSE, outside resources and peer learning is facilitated.

OFFLINE PERIODICAL ASSESSMENT

For Secondary and Sr. Secondary offline assessments have been done

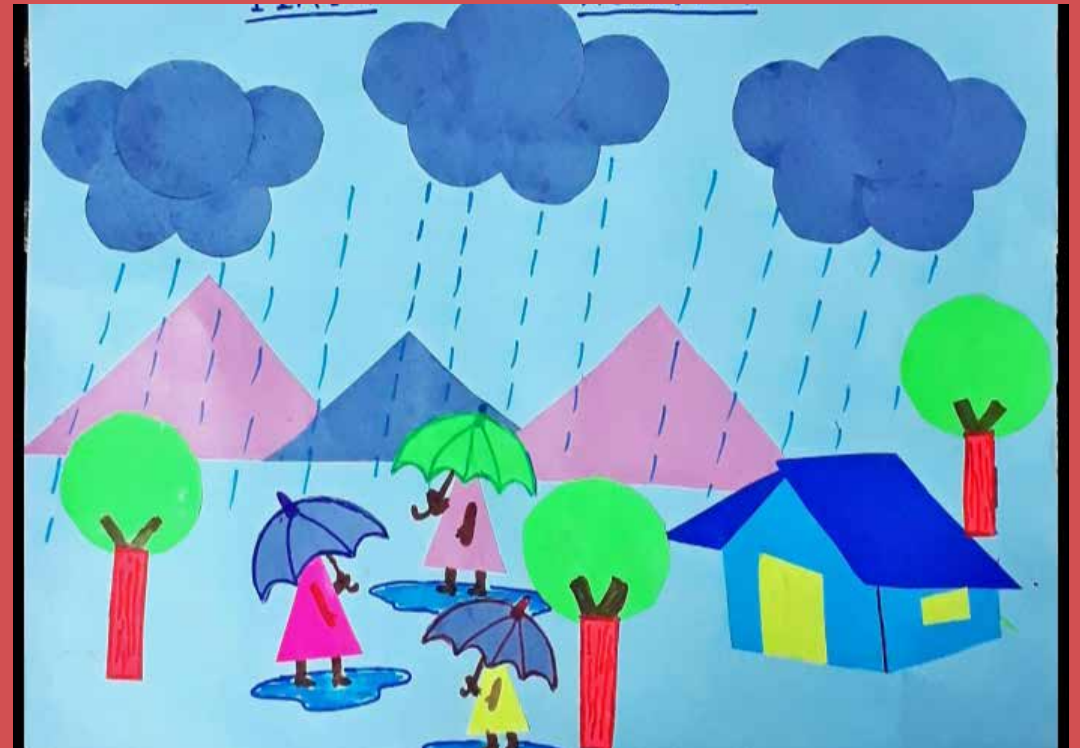

SUBJECT ENRICHMENT

To give extended learning opportunities and a natural extension to their scholastic pursuits.

CREATIVE URGE AND MODEL CLASS

To showcase the real classroom teaching-learning practices the students exhibited the classroom teaching excellently.

HANDS-ON ACTIVITY(MATHS)

To understand various phenomena of the surroundings and science that involves in it.

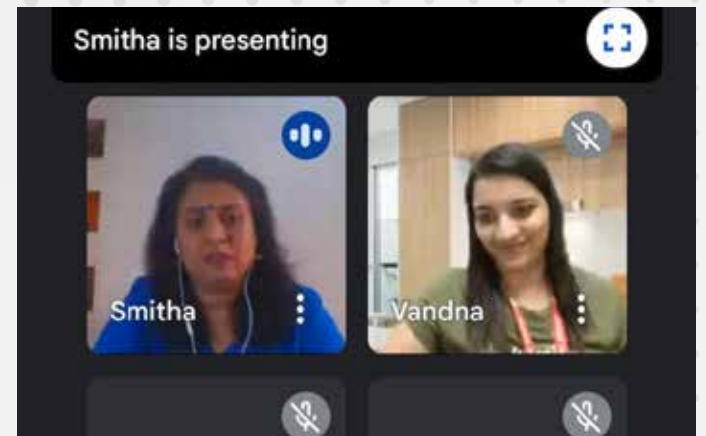

REST AND RECREATION

A virtual collaboration session was done between teacher-parent to establish a healthy relationship among them for the well-being of every student.

LIVE DOUBT CLEARING

To clear the last-minute exam preparations of the students, live doubt clearing classes were initiated just before the half yearly examination.

INITIATION OF SAFAL

Introduction, and initiation of SAFAL in primary classes according to the newly introduced segment by CBSE.

VIRTUAL EDUCATIONAL TOUR

A virtual window to get a real-life touring experience, the virtual tour was conducted to give the students a life-enriching experience.

REAL HEROES-TEACHERS APPRECIATION

An initiation to appreciate the hard work of our teachers we started giving small tokens in form of personalized gifts to our dear teachers.

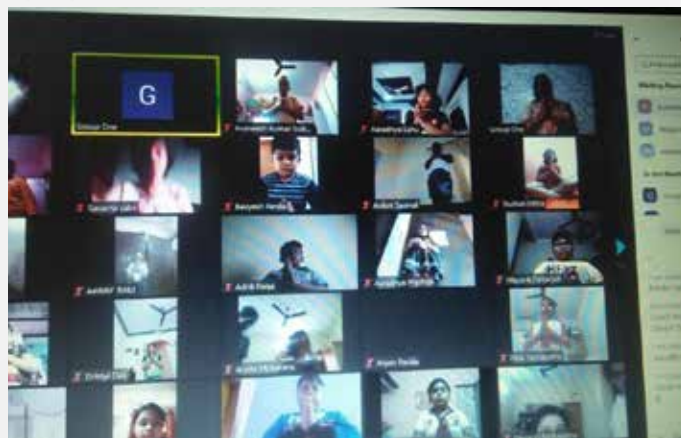

COMFY CORNER

An enriching and innovative theme-based environment was created by the class teachers virtually to enhance the child's inner talents.

READING ASSESSMENT

Newly introduced "Reading Assessment" by the CBSE for all language subjects is going on.

VIRTUAL PRAYER

A unique way to start our day, is virtual prayer which not only energizes the students but also the teachers to get motivated the whole day.

CAMBRIDGE CLASSES

Initiation of the Cambridge classes for DB students to help them learn, discover new abilities, and set a global standard for the wider world.

Knowledge controls access to
opportunity and progress

Co-Academic Programs

Observations & Celebrations

VAN MAHOTSAV

In association with RCBH, a plantation program was held in Healthville, Bhalunka.

01

INDEPENDENCE DAY

Independence day was celebrated with full fervor

02

NATIONAL SPORTS DAY

National Sports Day observed by the team to inculcate the sports spirit among the students. The session vibrated with the video of Major Dhyanchand.

03

GURU PURNIMA

The students were motivated to pray and take blessings from their first guru- their parents.

04

WORLD PHOTOGRAPHY DAY

Photography competition was held. Advanced photography session was done

05

SANSKRIT DIWAS OBSERVATION

Sanskrit speech, shloka
Poster making, was done

06

INTERNATIONAL FRIENDSHIP DAY

HIGHLIGHTS-
The students prepared bands and tied to home workers, underprivileged children, siblings, parents, grandparents and all other friends

07

SADBHAVNA DIWAS

The birth Anniversary of Sri Rajiv Gandhi was observed by students giving the message of good thoughts or Sadbhavna

08

WORLD HUMANITARIAN DAY

Students were asked to perform one act of kindness showing humanity and send us the related photograph

09

KARGIL DIWAS

NCC students recited poems, made posters and recorded speeches on valor of soldiers.

10

INTERNATIONAL DAY OF COOPERATION

The children lent a helping hand at home, demonstrating cooperation.

11

HINDI DIWAS

Hindi diwas was observed on 14th of September. The aim was to raise awareness about the language

12

GANESH PUJA- 2021

Amidst COVID regulations, Ganesh Puja was celebrated with all rituals in the campus. A bhajan samaroh was conducted by the Music team. Art teacher was invited for a video shoot on communal harmony.

13

TEACHER'S DAY

A lively program was held in the Emerald hall with all teachers attending physically. HDFC bank honoured our teachers. Chairman commended their work. The day was filled with music and dance.

14

JANMASTAMI

Celebrating the birth of Lord Krishna. The Little Krishna displayed the life story.

15

RATH YATRA

The Chariot Festival of Lord Jagannath. Making paper idols and Chariots was a great experience.

16

01

TRIVIA NIGHT AT HEALTHVILLE

A musical evening was organised at Healthville.

02

NATURE'S BASKET

Using natural things the tiny tots prepared useful articles.

03

PHYSICS SEMINAR

A webinar on Polymers and their uses was conducted for Sr. Sec Students.

04

SCIENCE CHARTS

The activity was conducted to raise Science awareness.

05

PLANT A TREE

Trees are the oxygen cylinders of the earth. The more we plant trees, the more we increase our chances of survival.

06

ART WITH NATURE

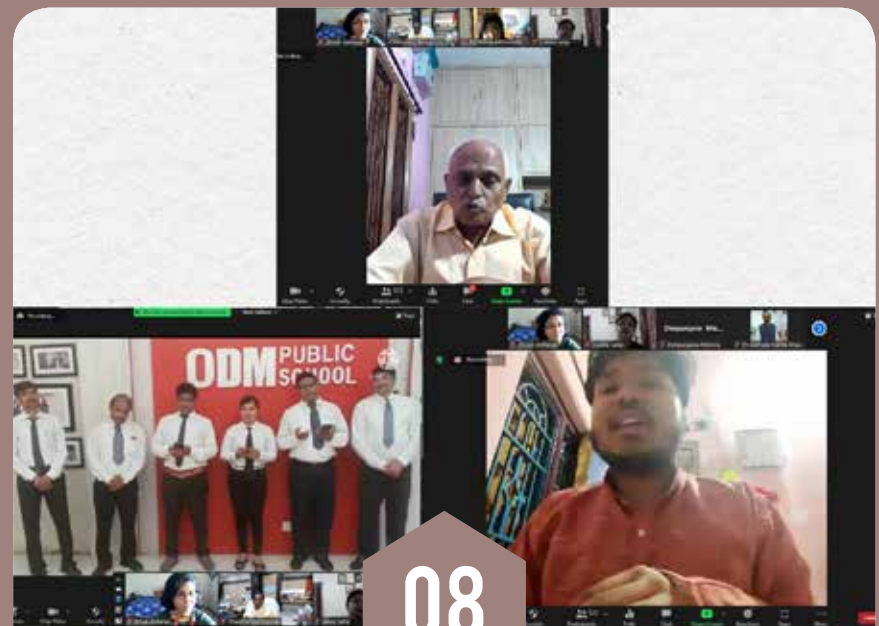

Nature is filled with beauty to behold. Using natural elements, art work was demonstrated.

07

MICROSOFT INVENT PROGRAMS

Students created a virtual organisation and got first hand training from actual high profile professionals.

08

ADIEU TO STD XII

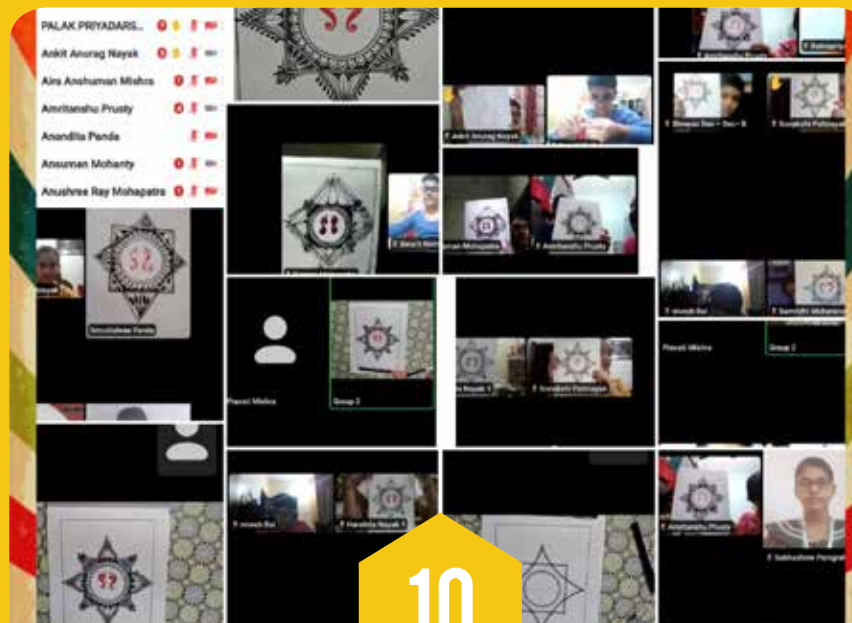

In a virtual program, the out going std- XII were bid goodbye and good luck for future.

09

BIOLOGY SEMINAR (SR.SEC)

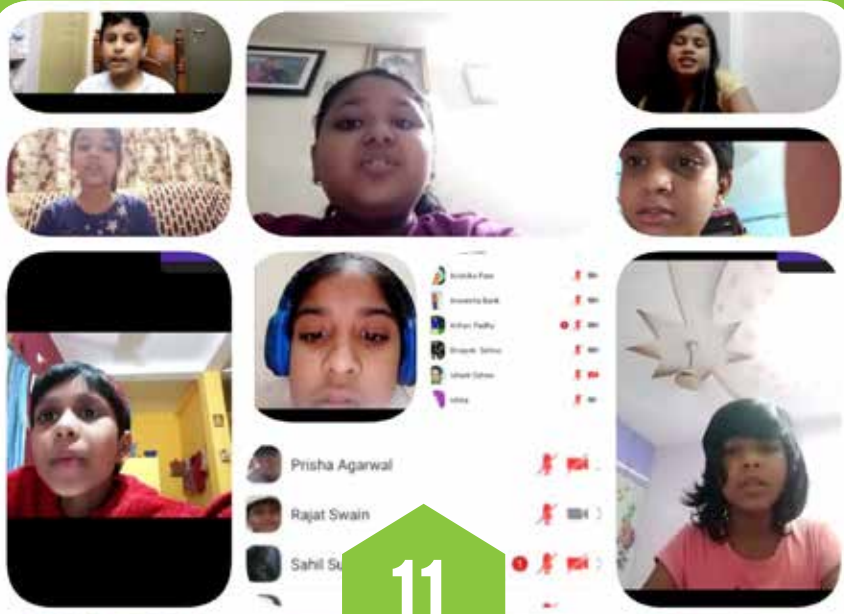

A webinar was conducted on nano technology in Biotechnology

10

ART CLUB

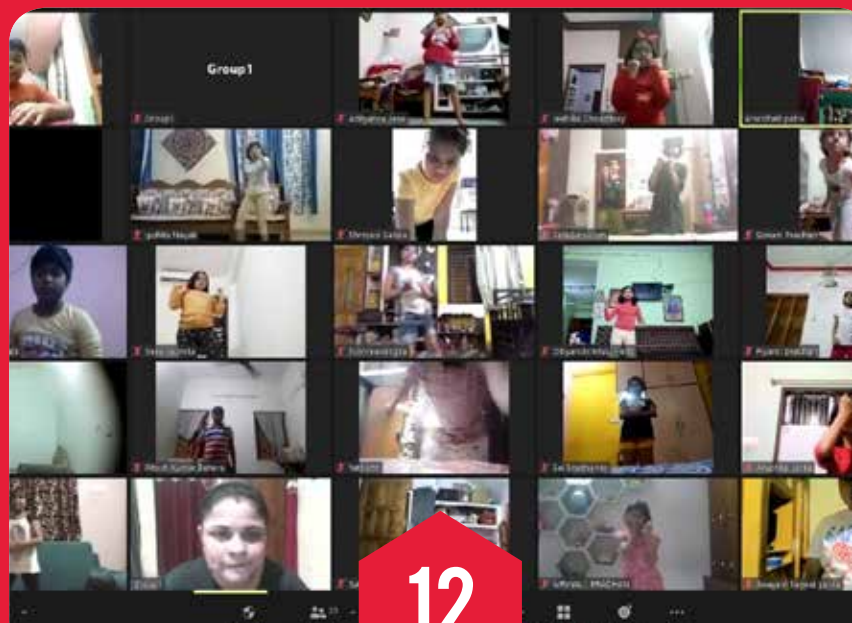

Teaching art and craft has brought about intense interest in the various forms.

11

SONG CLUB

The melody and rhythm can uplift the spirits and renew the vigour.

12

DANCE CLUB

The fluidity of movements, postures and body language can tell many a story that eyes may miss.

NO COMPETITION...
NO PROGRESS...

Competitions

NATURE'S CREATIVES LKG-UKG

Using natural things, students created beautiful art pieces.

Can you guess the materials used?

FRIENDSHIP BANDS-I & II

Sealing the bond of friendship with hand made bands.

CREATIVE WRITING-III-XII

Poems, Stories etc penned by the students displayed their creativity.

LEAF ART-VI-VII

Has anyone thought before that leaves could be used this artistically?

International Program

VIRTUAL EXCHANGE WITH GERMANY

A number of virtual sessions have been conducted with a school from Germany. Their representative Ms. Alexandra has commended our letter exchange program and our school was featured in the German Newspaper. The benefit gained from such exchange is the sharing of culture and lives of the people of the two countries.

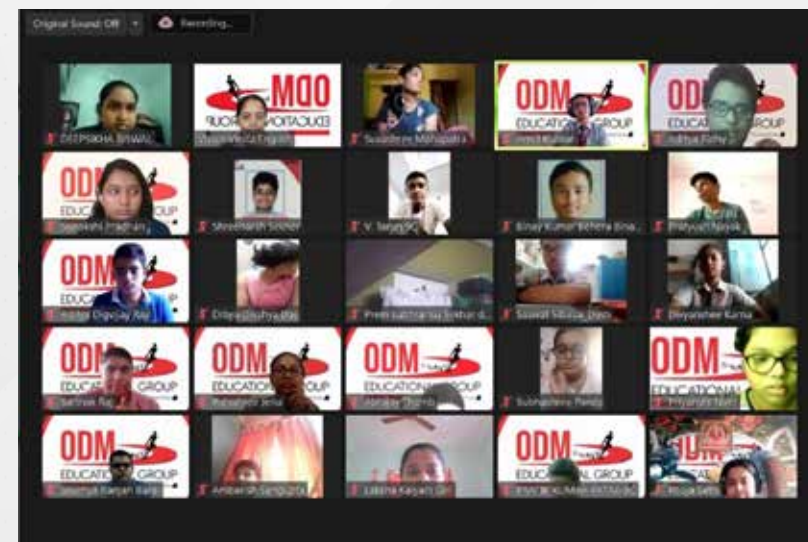

SEARCHING POTENTIAL SCHOOLS IN OTHER COUNTRIES FOR PARTNERSHIPS

We are currently working on building partnerships with schools in Japan and Romania

VIRTUAL EXCHANGE WITH NEPAL

On receiving a proposal from our ISA partner school from Nepal, we had 3 virtual sessions with their students discussing the new normalcy and the effect on education due to pandemic in the two countries. The sessions were highly enriching
