

ACTIVITY
SEE AND SPELL

Learning how to spell words is one of the most useful lifelong skills and it builds the basic foundation that all children will need throughout their education and life in general. It also helps a child to develop a strong connection between the letters and their sounds.

This activity (**SEE & SPELL**) helps in expanding student's knowledge and exploring new skills at an early age.

Let us join hands and learn something interesting and improve the vocabulary in this month's activity.

ONLINE Students will join in their respective class ID.
