" Science for a Sustainable Future"

SR. SECONDARY

The Science Conclave(Online)

Date- 28th August 2021

Hello Sharp Brains!!

We know that the pandemic has forced you to remain locked at home, but who can stop those brilliant minds from ticking?

Here we are with the Inter school Science Conclave with a lot of scope to project the scientist in you.

SENIOR SECONDARY (XI,XII)

1.TOYCATHON (DIY projects)

2.ILLUMINATI (Design thinking)

3.MOTIQO (Original science based motivational quotes)

4.MYSTIQUE (Gamified science concepts)
