Subject - issue regarding bullying and hitting inside the school premises.

Mam,

Today During Breaktime (10:15 to 10:30),  
Boy named Rishi Sharma of class XII Comm, bullied me  
in front of the whole class and later slapped me in  
the face in front of whole class, which made my face swollen.

The reason for his action against me has already been informed  
to the discipline committee at the school.

I will be grateful to the discipline committee, if  
further action is taken against this ridiculous and unparliamentary  
act which took place during class hours and inside the school  
premises.

Yours Sincerely,  
Ranjit Sankar,
