

SESSION : 9

CLASS : 5

SUBJECT : SOCIAL SCIENCE

CHAPTER NUMBER: 10

CHAPTER NAME : COMMUNICATION

SUBTOPIC :INTRODUCTION, COMMUNICATION

CHANGING YOUR TOMORROW

LEARNING OBJECTIVES

Enable the learner to know about:

- **Meaning of communication.**
- **Communication used by early humans.**

Introduction

Communication

Communication is sending and receiving information between two or more people through different ways like speech, writing, sign, gesture, signals, pictures etc.

History of communication

Some of the oldest forms of human communication include making sounds, drawing, painting, dancing, acting, and using symbols. Slowly they developed speech, languages and scripts. Modes of sending messages over long distances in ancient time

- **Talking drums**
- **Smoke signal**
- **Runners**
- **Horse riders**
- **Pigeons**
- **Cave painting**

Drawbacks

- **It takes several days for messages to reach their destination.**
- **However, communication has been completely transformed.**
- **Today we can send and receive messages instantly, even to people who live in distant corners of the Earth.**
- **Distances have shrunk so much that we are said to be living in a global village.**

Communication can be of different types

- Personal Communication
- Mass Communication
