Ascending  
order

The first number in an ascending order is the smallest number.

The last number in an ascending order is the greatest number.

- The first number in descending order is the greatest number.
- The last number in descending order is the smallest number.

C.W

C. Circle the greatest number.

(a) 547    **643**    447    400

(b) 453    462    **475**    443

(c) **639**    634    637    600

(d) 951    552    **955**    900

**D. Circle the smallest number.**

(a) 248   **163**   377   401

(b) 657   648   **632**   640

(c) 552   551   556   **550**

(d) 451   459   **450**   460

**Expected learning outcome:**-Students are able to write the smallest and greatest number in the 3-digits numbers.
