TODAY'S TOPIC

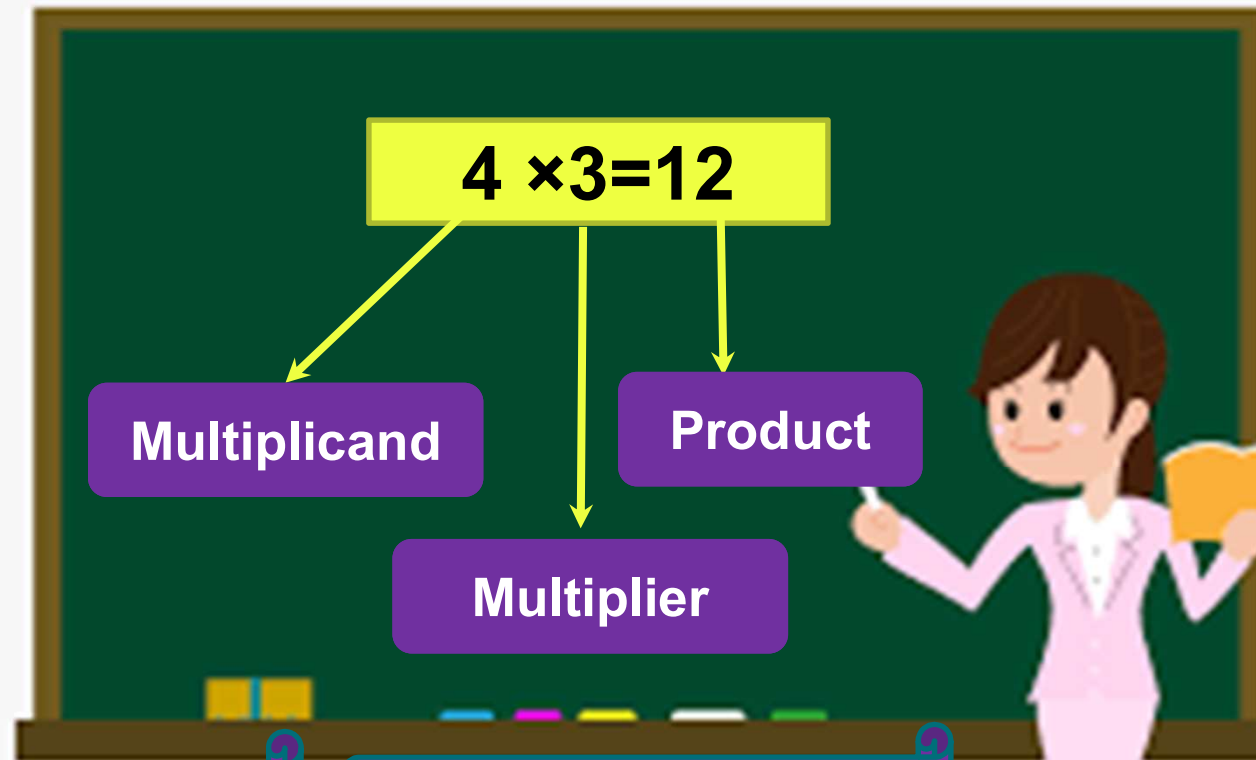

**LET US REVISE.
BOOK PAGE-61 AND 62
Q NO-5,6, 7.**

*Multiplication is repeated addition.

*When two numbers are multiplied, the answer is called **PRODUCT**.

*The sign of multiplication is '**x**'.

The number which is being multiplied is called multiplicand.

The number by which the multiplicand is multiplied is called the multiplier.

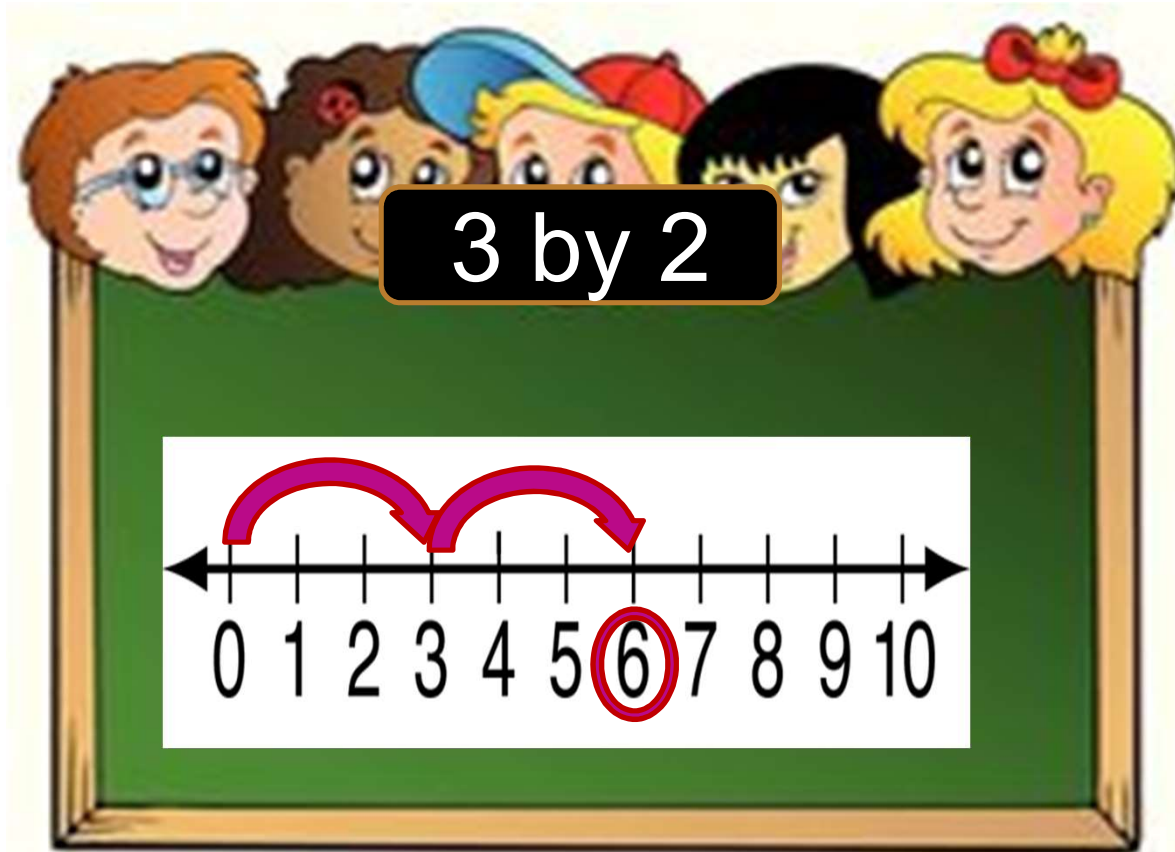

JUST HAVE A RECAP

When a number is multiplied by 1, the product is the number itself.

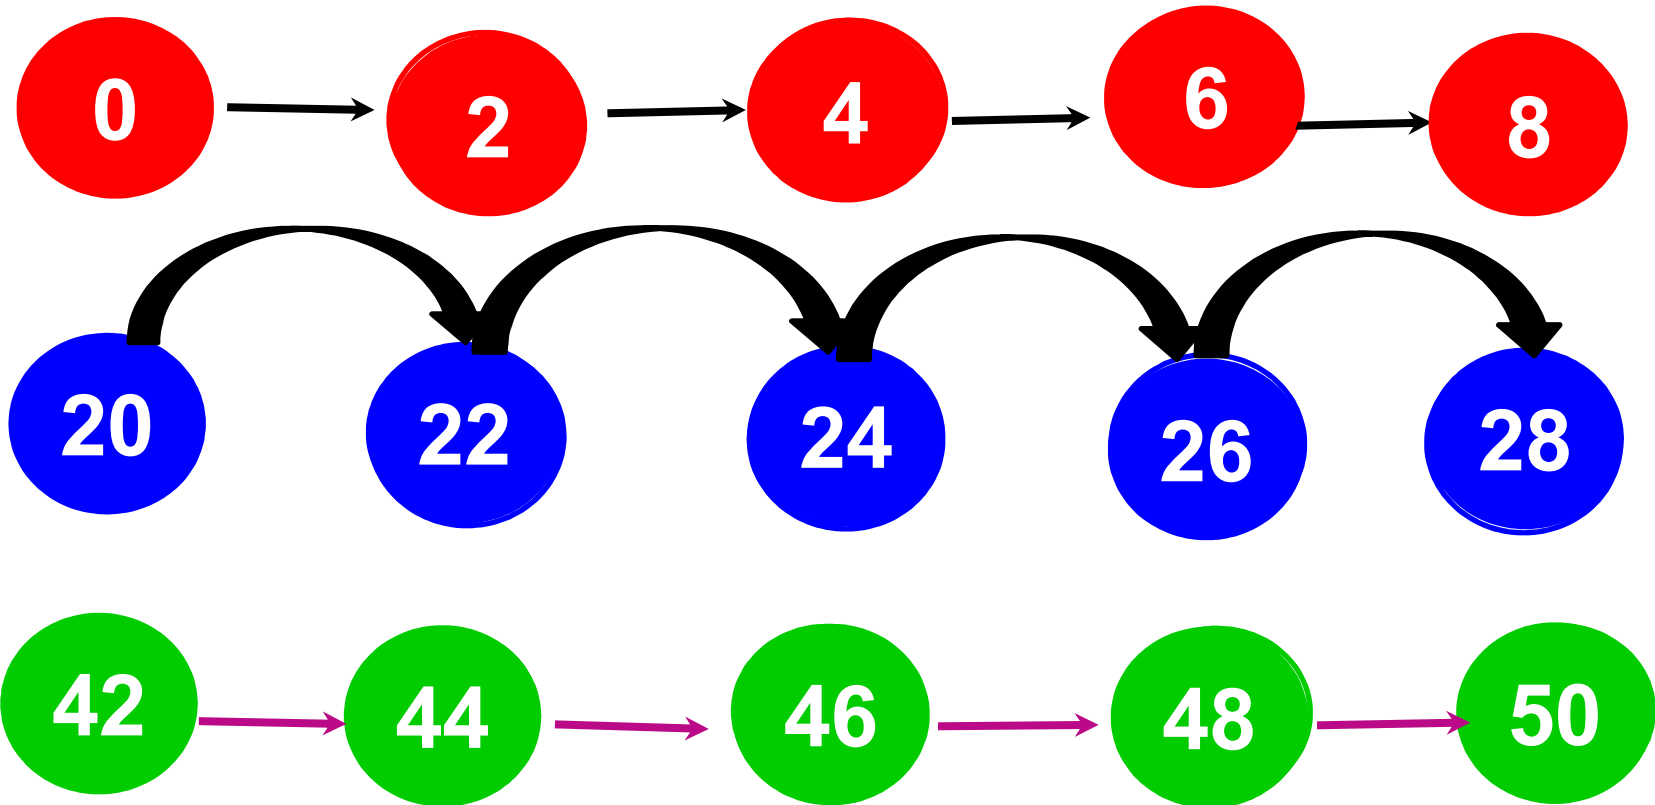

The product of 2 numbers remains the same even after changing the order of the numbers.

When a number is multiplied by 0, the product is always 0

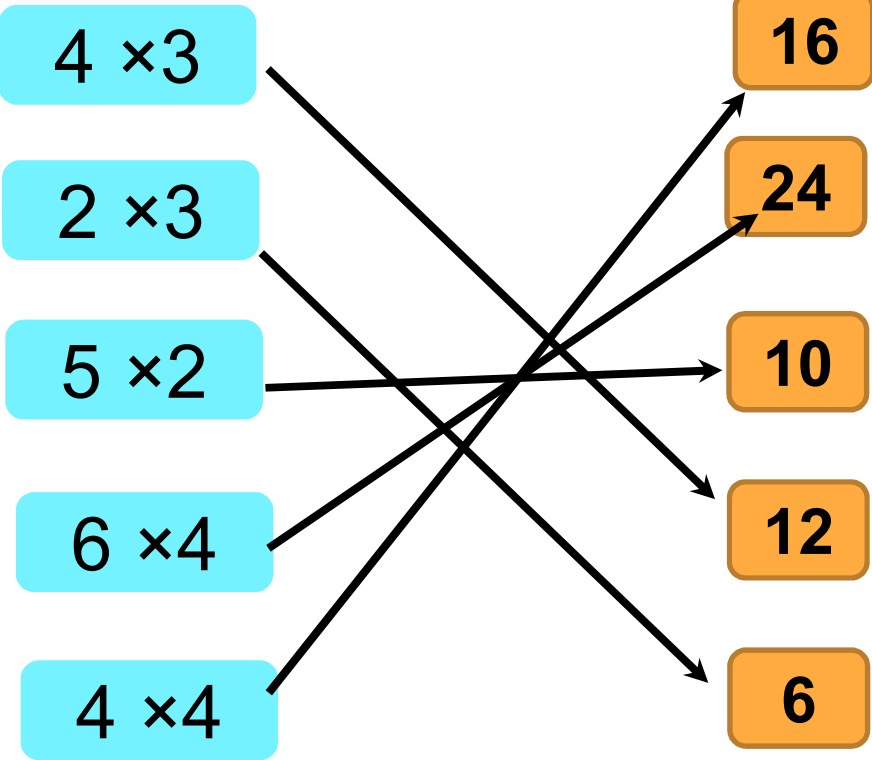

Count in twos and fill in the blanks.

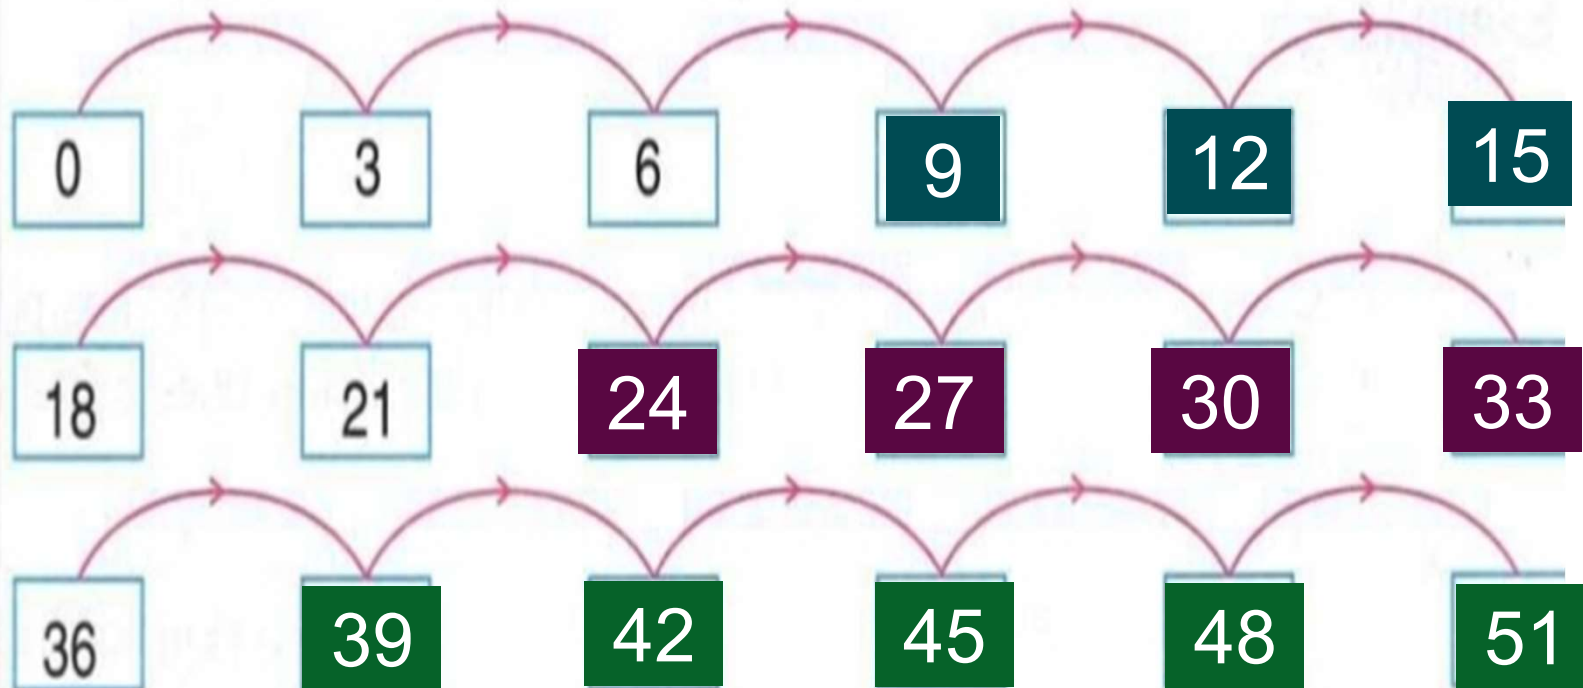

CW

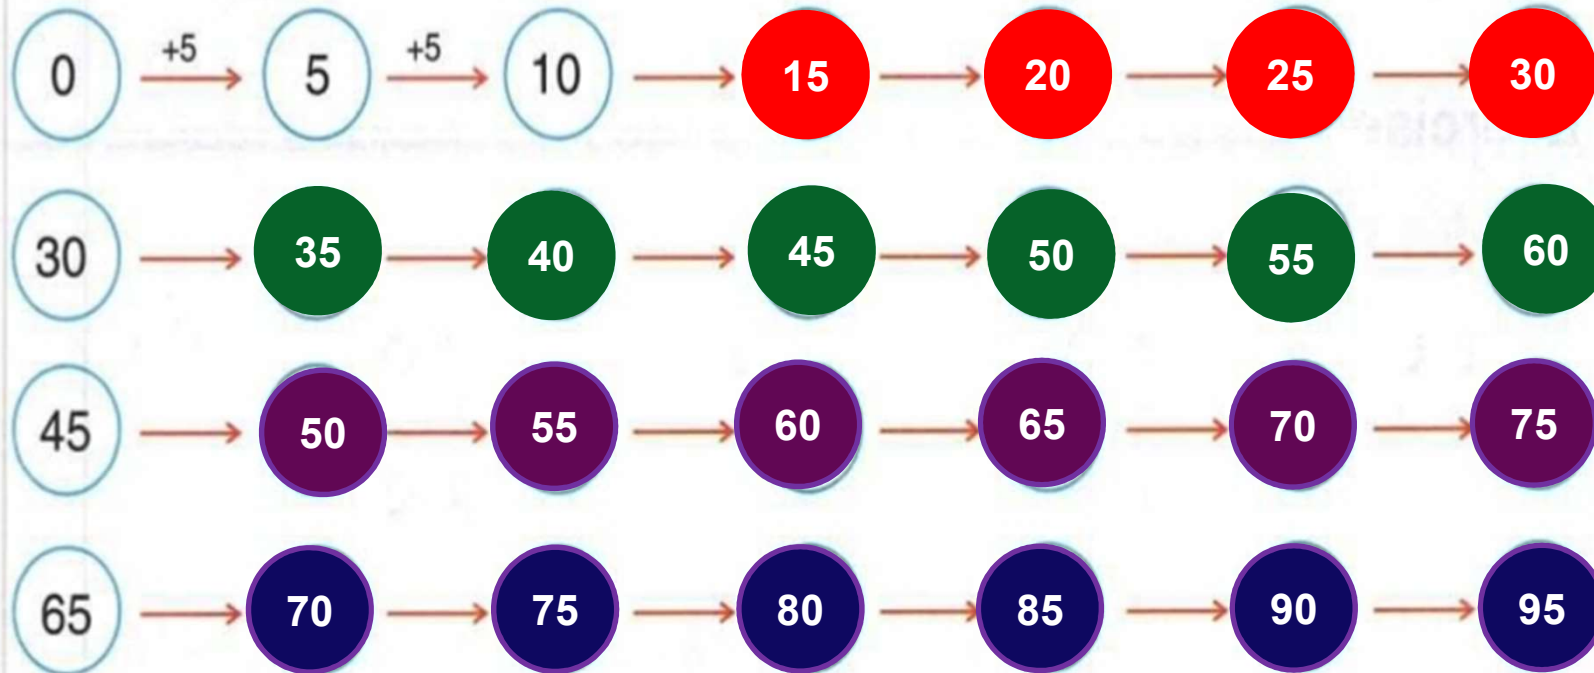

5. Match the following.

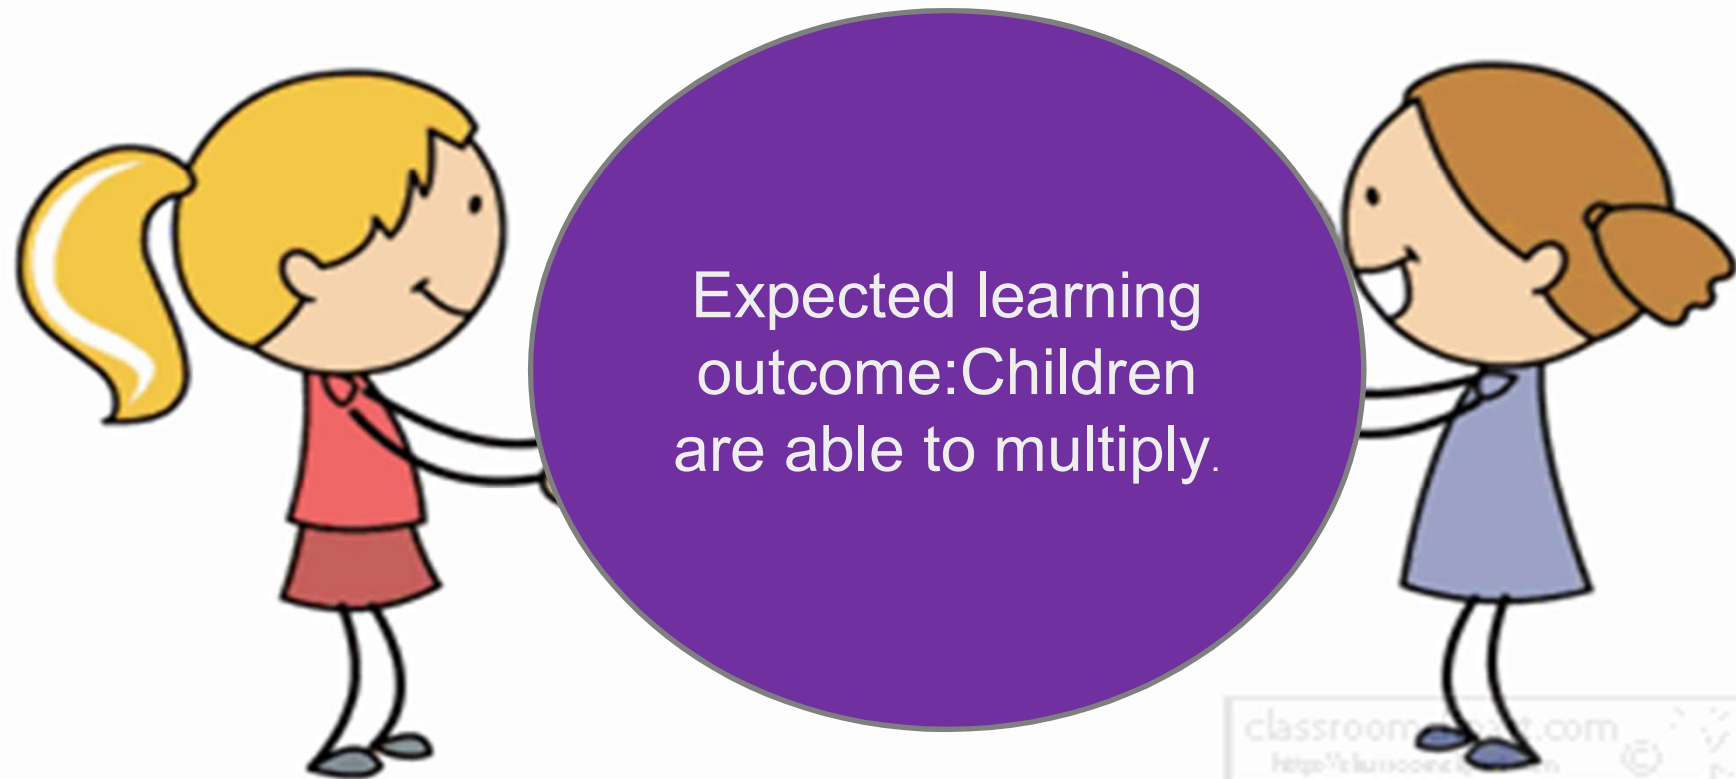

6. Count in threes and fill in the boxes.

7. Count in fives and fill in the circles.
