CHANGING YOUR TOMORROW

LEARNING OBJECTIVE:

To enable students to know about Tux Paint.

Tux Paint

- It is an amazing drawing program for students.
- It has a lot of creative tools, funny animations, and magical effects.

Some of its unique features are:

- Tux Paint is a free software.
- Tux Paint has a drawing mascot, which helps you to learn more about it
- A large variety of tools help the students to create beautiful designs.
- we can add personalized stamps to our drawing.
- Funny sound effects are played when we select any tool in

Tux Paint

- we can load and save images directly as thumbnails without using any file name in Tux paint.

HOW TO OPEN TUX PAINT

- Select the Start button» To Paint > Tux Paint (Full Screen
- **NOTE-** When you open Tux Paint, it displays two modes: Windowed *and* Full screen.
- Selecting the Full Screen Mode will not display the Title bar.

PAINT BRUSH SHAPES

- Tux paint gives us an option to draw beautiful patterns using the paint tool
