## DISTRIBUTIVE ADJECTIVES

**Each** girl will get a chocolate.

He used to call me **everyday**.

I like **neither** of you.

Is there **any** money left?

Each, every, neither, any are referring to individual members of a group.

Adjectives that refer to individual members of a group are called distributive adjectives.

Some examples- each, every, neither, either, any, both etc.

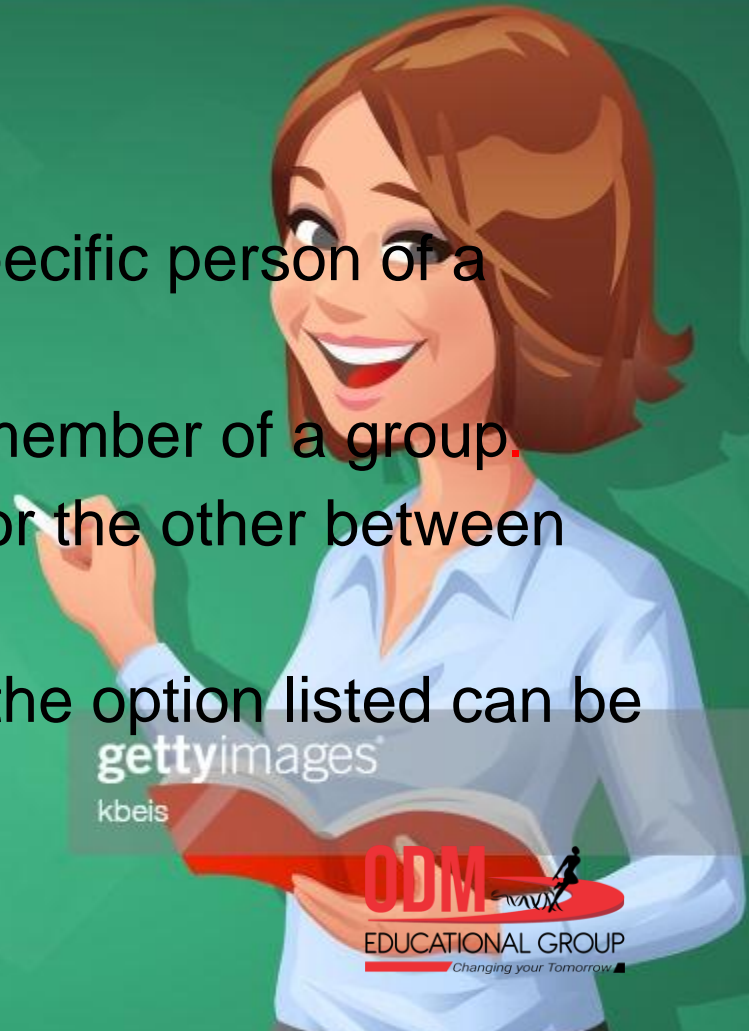

## Points to remember

**Each:** Each is used to refer to one specific person of a group.

**Every:** Every is use to refer to each member of a group.

**Either:** Either is used to refer to one or the other between two options.

**Neither:** Neither means that none of the option listed can be considered.
