IR VERBS

# IR VERB

If an infinitive ends in **-ir**, it means the verb belongs to the second conjugation, for example, **finir**, **choisir**, **remplir**.

The stem of **-ir** verbs in the present tense is formed by taking the infinitive and chopping off **-ir**. Now add the correct ending, depending on whether you are referring to **je**, **tu**, **il**, **elle**, **on**, **nous**, **vous**, **ils** or **elles**.

Infinitive	Stem (without <b>-ir</b> )
<b>finir</b> (to finish)	<b>fin-</b>
<b>choisir</b> (to choose)	<b>chois-</b>
<b>remplir</b> (to fill, to fill in)	<b>rempl-</b>
