**“MY SCHOOL RHYMES, PART - III”** is an innovative step in developing a curriculum for Pre-School students. As it is well known that the Pre-School provides a learning experience for young children, which promotes the development of the child.

The curriculum has been designed so as to help children to grow physically, socially, emotionally and intellectually.

Learning by doing and play-way methods are in fact unanimously recognised for the teachers to help the children learn and grow.

The world around children provides a wealth of fascinating things. Children have a rudimentary knowledge of facts. But they are not content with what they know and they are still curious to know much more.

Each volume of this book for you provides information of a wide range of topics around them to learn the new language.

“My School Rhymes, Part - III” is of five stages of learning English language to develop the skills such as listening, speaking & reading.

# The Selfish Dog

A farmer had an ox and a dog. The ox helped him in his fields and the dog watched the house at night. One evening the ox returned home very tired. He was very hungry. He went to the manger to eat hay. But he found the dog sitting on it.

The dog barked at him and would not let him eat it. The ox said to the dog, "Please, get aside and let me eat the hay. It is of no use to you." But the dog replied, "Since I myself cannot eat the hay. I will not let anyone else have it." So the ox had to go hungry that day.

*Moral of the story:*

*Selfish persons won't let you have anything what they could not.*

# BETTER ALONE

A rich man had only one son. The son fell into the bad company. He developed many bad habits.

The man was much worried about the habits of his son. He tried his best to mend his habits but he could not succeed. One day he thought of a plan to teach his son a lesson.

He went to the market and purchased some fresh apples and a rotten one. He came back to his home and called his son.

He asked his son to put all the apples along with the rotten one in the almirah.

The son did the same. After some days the father asked his son to bring the apples. As he opened the door of almirah he was surprised to note that all the apples had become rotten. He felt sad.

At this his father told him to see how one rotten apple had spoiled all the rest. In the same way one bad companion could spoil all others. The father's advice had the desired effect. The boy gave up bad company and became good again.

**Moral of the story:** *Better alone than in bad company.*

# एकता मे बल है

एक किसान के तीन बेटे थे । तीनों हमेशा आपस में लड़ते थे । एक बार किसान अपने बेटों को बुलाकर लकड़ियों का गट्ठा लाने को कहा । जब बेटों ने लकड़ियों का गट्ठा लाया तब उनसे किसान ने कहा कि, वे उसे बारी-बारी से तोड़े । पर किसी ने भी गट्ठा तोड़ नहीं पाया ।

तब किसान ने कहा बेटा अब इस गट्ठे को खोलकर एक एक लकड़ी तोड़ो और बेटों ने वैसा ही किया ।

किसान ने अपने बेटों को समझाया कि अगर हम सब मिलकर रहेंगे तो कोई भी हमपे हमला नहीं कर पाएगा पर अगर आपस में झगड़ा करोगे तो लोग तुमपे हमला कर सकते हैं ।

**शिक्षा :** मिलकर रहने से हमें सदा विजय मिलती है ।

# लोभ करना उचित नहीं

एक किसान के पास बहुत सारे बतख थे और उनमें से एक सोने का अण्डा देती थी ।

उसे बेचकर किसान धनी हो गया था । एक बार उसने सोचा क्यों न बतख का पेट काटकर एक साथ सारे अण्डे निकाल लिया जाए । जैसे ही उसने बतख का पेट काटा, उसमें से सिर्फ एक अण्डा निकला और इस पर किसान बहुत दुखी हुआ ।

**शिक्षा**

लालच करने से हमेशा हानी होती है ।
