

SESSION : 4

CLASS : II

SUBJECT : EVS

CHAPTER NUMBER: 2

CHAPTER NAME : HOW MY BODY WORKS

**SUB TOPIC : INTRODUCTION AND IMPORTANCE OF
OUR BODY PARTS, SENSE ORGANS AND THEIR
FUNCTIONS**

CHANGING YOUR TOMORROW

LEARNING OBJECTIVES :-

- ❖ To enable the learner to know about different body parts as well as their importance and sense organs and their function.

MY BODY :-

SENSE ORGANS :-

- ❑ Sense organs are the part of our body which help us to sense the world.
- ❑ Through sense organs we recognize the things around us.
- ❑ We have five sense organs like eyes, ears, nose, tongue and skin.

Our eyes help us to see:-

Our ears help us to hear:-

Our nose helps us to smell:-

Our tongue helps us to taste the food:-

Taste

Our skin helps us to feel:-
