# Transport

ink

# IMPORTANCE OF TRANSPORT :-

- ❑ Transports are very useful to us.
- ❑ It helps us to move from one place to another.
- ❑ The different means of transport are land, water and air transport.
- ❑ Animals are also used to carry goods and people from one place to another.

# TRANSPORT

- ❑ Transport helps us to move from one place to another.
- ❑ The different means of transport are land, water and air transport.

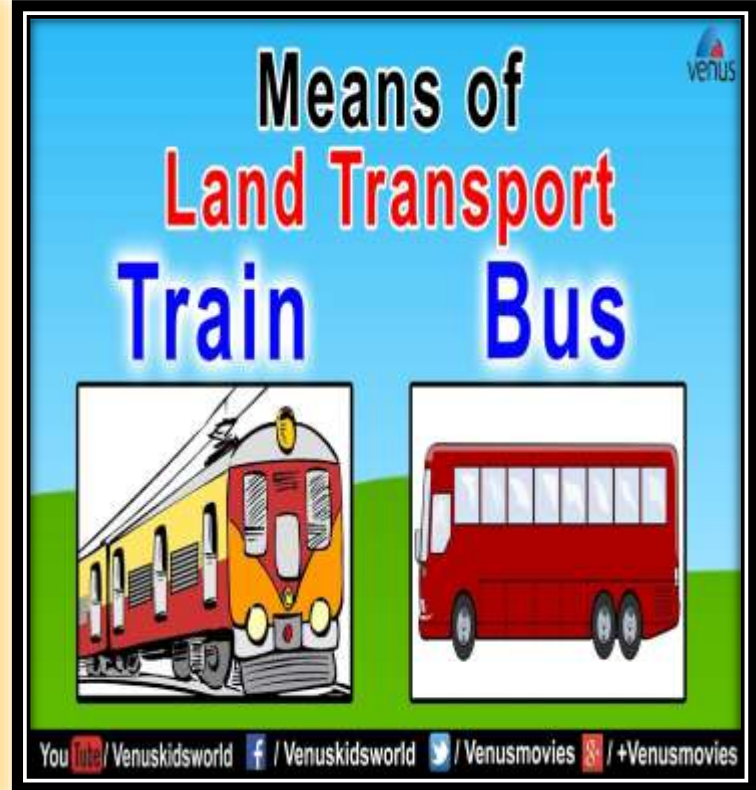

# 1. Land Transport :-

❖ The means of transport which carry people and goods on land are called **Land Transport**.

**Example :-** (a) Bus

(b) Train

# LEARNING OUTCOME:-

- ❖ Students have some idea on transport and got the concept of types of transport.
