CHANGING YOUR TOMORROW

Transport

ink

IMPORTANCE OF TRANSPORT :-

- ❑ Transports are very useful to us.
- ❑ It helps us to move from one place to another.
- ❑ The different means of transport are land, water and air transport.
- ❑ Animals are also used to carry goods and people from one place to another.

TRANSPORT

- ❑ Transport helps us to move from one place to another.
- ❑ The different means of transport are land, water and air transport.

1. Land Transport :-

❖ The means of transport which carry people and goods on land are called **Land Transport**.

Example :- (a) Bus

(b) Train

2. Water Transport :-

❖ The means of transport which carry people and goods in water are called **Water Transport**.

Example :- (a) Boat
(b) Ship

3. Air Transport :-

❖ The means of transport which carry people and goods in air are called **Air Transport.**

Example :- (a) Aeroplane
