MONEY

We need money to purchase goods of our daily need and to pay for the services we get like paying electricity bills, telephone bills, gas bills, etc. To buy anything from the market, we need money. It is available in the form of coins or notes. We in India deal with the currency in rupees and paise.

₹ 1, ₹ 2, ₹ 5 and ₹ 10 are available in notes (paper currency) as well as in coins.
