

Chapter- 11

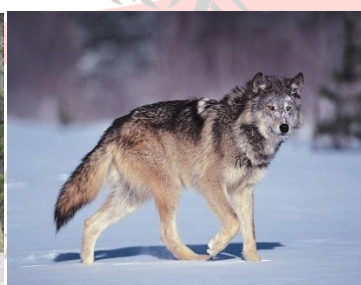

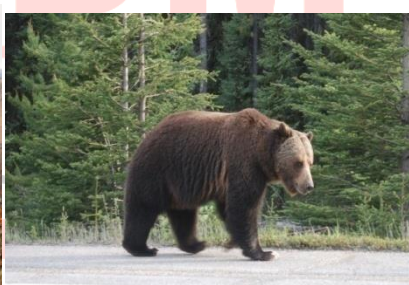

Animals around Us

STUDY NOTES

Let's Learn:

Wild animals:

- We share the world with many different kinds of animals.
- Some animals like bears, lions, tigers, zebras, wolves, giraffes, and elephants live in the forest.
- They are called **wild animals**.

Farm animals:

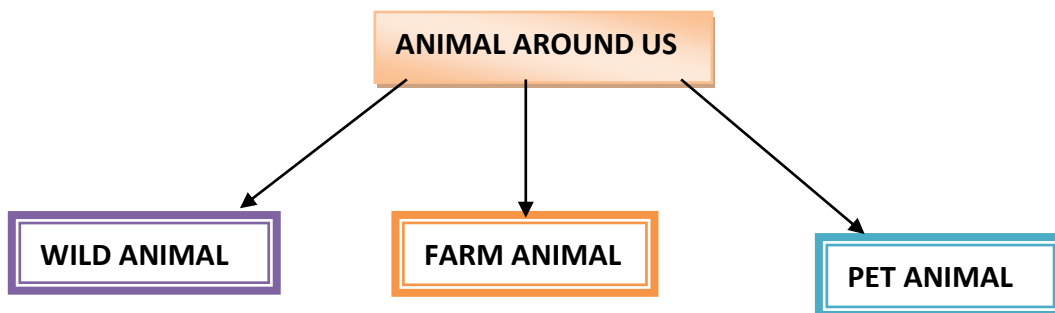

- Many animals like cows, hens, ducks, pigs, goats, and sheep live on a farm.
- They are called **farm animals**.
- They are useful to us.
- We get milk from cows and goats.
- We get eggs from hens and ducks.

**Pet animals:**

- Some people keep animals as **pets**.
- **Pets** stay at home with us.
- Dogs and cats are the most common pets.
- We need to feed our pets at the right time and keep them clean.
- They also need love and care.

- We must not harm animals.
- We must take care of them.

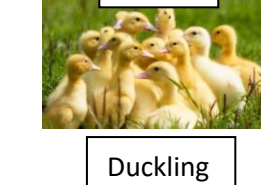

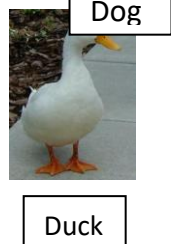

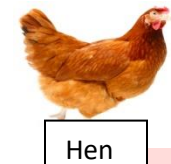

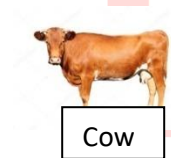

Memory Map:

Let's Know More:**I. Answer the following.**
