An illustration of four children sitting around a white table in a school cafeteria. They are eating lunch. The children are: a boy with black hair in a brown vest, a girl with blonde hair in a green shirt, a girl with brown hair in a yellow shirt, and a boy with red hair in a blue striped shirt. Each child has a red tray with a plate of food (eggs, bacon, tomatoes) and a blue cup with a straw. A speech bubble from the blonde girl says, "I have lunch with my friends. We share our food with each other."

I have lunch with my friends. We share our food with each other.

Do you share your food during lunch?

We say goodbye to each other before we go home.

What do you say to each other before you go home?
