**DESERT**

**GARBAGE**

- We live on the Earth.
- The Earth is shaped like an orange-round and slightly flat at the top and at the bottom.
- We share the Earth with plants and other animals.
- The Earth is called a blue planet because more than 71% of the earth is covered with water.
- A globe is a model of Earth.
- The Earth is covered with land, water and air.

## AIR:

- We breathe in air.
- We cannot see air. We can only feel it.
- All plants and animals need air.
- Living things cannot live on Earth without air.
- We get everything that we need from the Earth.
- We must take care of it too.
- We should not make the air and water dirty.
- We must not cut trees or harm animals.
