**CHANGING YOUR TOMORROW**

---

## **LEARNING OBJECTIVE :**

**The students will be able to find out the Adjectives .**

**Q no.1. Circle the adjectives from the given story.**

## **Honesty is the best policy**

Once, there lived a boy named Sam.

One bright and sunny afternoon,  
when he was walking along a pavement to his home from school ,  
he was surprised to see a purse lying there.

He had to walk a few steps to pick it up.

As he felt very curious to see what was inside the purse,  
he decided to unzip it.

When he opened it, he found a ruby necklace,  
three keys, and some coins there.

“May be,the person who has lost his/her purse has not  
gone far”,he wondered.So he stopped and looked  
around to check, if anyone was there to claim the purse.

Q no.1. Circle the adjectives from the given story.

## Honesty is the **best** policy

Once, there lived a boy named Sam.

One **bright** and **sunny** afternoon, when he was walking along a pavement to his home from school, he was surprised to see a purse lying there.

He had to walk **a few** steps to pick it up. As he felt very **curious** to see what was inside the purse, he decided to unzip it.

When he opened it, he found a **ruby** necklace, **three** keys, and **some** coins there.

"May be, the person who has lost his/her purse has not gone far", he wondered. So he stopped and looked around to check, if anyone was there to claim the purse.
