Words that point out
nouns in a sentence
are called **articles**.

There are three articles
in English: **a, an, the** .

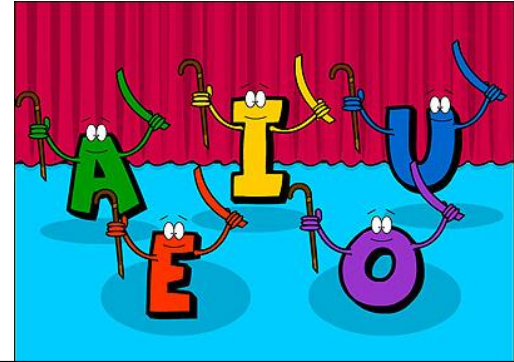

A

We use **a** before nouns that begin with consonant .

An

We use **an** before nouns that begin with vowel sounds .

Examples

1. Raj saw a snake in the garden.
2. The animals want a king for them.

Examples

- There is an egg in the nest.
- We use an umbrella when it rains.

The is used before singular and plural nouns when the noun is specific or particular.

The Alps

The Moon

The Taj Mahal

The Kaveri

After the long day, the cup of tea tasted particularly good.

Here, it was one specific day that was long and one specific cup of tea that tasted good.
