Paragraph Writing

What is a paragraph?

- Paragraph is a group of sentences that describe or explain a topic or idea.
- Each sentence in the paragraph give information about the topic.
- The sentences must be in the right order to understand the information.

MAIN PARTS OF A PARAGRAPH

1. Topic sentence	The topic sentence states the main idea of the paragraph. It shows what the whole paragraph is about.
2. Supporting sentence	They give more information about the topic sentence. It give facts , details or examples.
3. Concluding sentence	It is the last sentence in the paragraph. It summarizes the main points of the paragraph.

My favourite cartoon character is Chotta Bheem. He lives in Dholakpur. Dholakpur is ruled by King Indraverma. Bheem protects the city from many evils like Keechak, Kirmada, Mangal Singh etc. He always fights for justice and destroys evil. I like him because he is very strong and powerful. He likes laddoos, especially the ones made by Tun Tun aunty. Tun Tun aunty is Chutki's mother. Bheem's other best friends are Jaggu, the monkey and Raju. Kalia is always jealous of Bheem. Bheem always helps Kalia whenever he falls in trouble. There is also Dholu and Bholu, the identical twins. In the cartoon series we see Bheem helping everyone in Dholakpur . He made a tree house for his friend Jaggu, the monkey. He fights the dacoits alone and gets back the things that they have looted from the people. All these qualities of Bheem make him my favourite character. After watching Chotta Bheem we should come back to our real life and carry out our duties with great responsibility.
