# Paragraph Writing

## What is a paragraph?

- Paragraph is a group of sentences that describe or explain a topic or idea.
- Each sentence in the paragraph give information about the topic.
- The sentences must be in the right order to understand the information.

# MAIN PARTS OF A PARAGRAPH

## 1. Topic sentence

The topic sentence states the main idea of the paragraph. It shows what the whole paragraph is about.

## 2. Supporting sentence

They give more information about the topic sentence. It give facts , details or examples.

## 3. Concluding sentence

It is the last sentence in the paragraph. It summarizes the main points of the paragraph.

## READ THE PARAGRAPH

Topic Sentence

A huge man came to our island. We tied him to the ground while he was sleeping. When he woke up, he tried to free himself. We gave him food and water when he started staying still. Then, we took him to the king's palace on a cart. He promised to stay with us and protect us.

Supporting Sentences

Closing Sentence

**Write a short paragraph about an interesting incident that happened during a holiday. Label the topic sentence, the supporting sentences and the closing sentence.**

**Write a short paragraph about an interesting incident that happened during your holiday**

Topic Sentence

I went to a beach with my family. The sun was shining and the sky was the bluest I had ever seen. I took my shoes off and felt the soft, warm sand go through my toes. The sand felt like a warm winter's blanket. I went to build a sandcastle. The beach was full with families and groups of children as it was the summer holidays. I saw a magician performing magic tricks. I went near him to see the magic. The magician asked my water bottle and turned it into a parrot and gave to me. I ran to show it my parents. My father bought ripe guavas to feed the parrot. When I called Mamma, the parrot repeated the same. I became very happy and brought it to my home.
