LEARNING OBJECTIVE :

To enable the learner to know about-

- the feeding habits of some herbivore animals.

Let's Recapitulate

Fill in the following blanks selecting the answer from the grid.

1) _____ are plant eating animals.

Ans. Herbivores

2) _____ eat both plants and animals.

Ans. Ominivores

3) Animals needs food to stay_.

Ans. Healthy

4) _____ are flesh eating animals.

Ans. Carnivores

5) _____ needs energy giving food.

Ans. Elephant

6) Frog catches insects with its sticky

Ans. Tongue

7) Snake _____ its food whole.

Ans. Swallow

8) Squirrels _____ their food.

Ans. Gnaw

ANIMALS THAT EAT GRASS AND CHEW CUD

- Grass eating animals like cows, buffaloes and sheep first swallow grass without chewing.
- After some time they bring it back into their mouths and they chew it with their grinding teeth. The process is known as chewing cud.
- They also have biting front teeth to cut the grass while grazing.

COWS

SHEEP

BUFFALOES

ANIMALS THAT LAP MILK OR WATER

- Animals like cats and dogs lap milk or water with their tongue.

CAT IS LAPPING MILK

DOG LAPPING WATER

CHOOSE THE CORRECT ANSWER FROM THE GIVEN OPTIONS.

1. Animals need food to(sleep/grow/bathe).

ANS. grow

2. Animals that eat the flesh of other animals are called (carnivores, herbivores, omnivore)

ANS. Carnivores

A frog has a long and sticky(tall/tongue/body) to catch insects.

ANS. Tongue

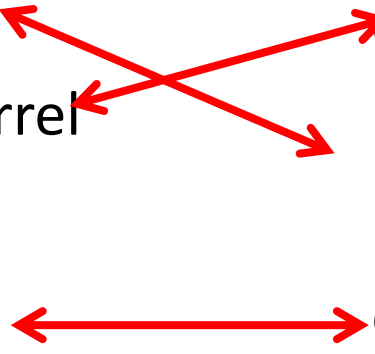

4. Animals that chew the cud are mostly (carnivores, herbivores, omnivores)

ANS. herbivores

Match the animal with the type of teeth it has.

Column - A

Column - B

- | | |
|-------------|--|
| 1. tiger | a. Very sharp front teeth |
| 2. Squirrel | b. Sharp, pointed and curved front teeth |
| 3. Cow | c. Biting front teeth |
- 

SUMMARY

- Grass eating animals like cows, buffaloes and sheep first swallow grass without chewing.
- Animals like cats and dogs lap milk or water with their tongue.
- Animals that chew the cud are mostly herbivores.
- A frog has a long and sticky tongue to catch insects.

LEARNING OUTCOME :

Students will come to know –

- about the feeding habits of some herbivore animals.

HOME ASSIGNMENT

- Write what do you do with leftover food in rough notebook.
