LET'S RECAPITULATE

Be Safe – Accidents are unexpected events that can happen at anytime and at any place. To avoid accidents we have to follow safety rules.

Safety in the classroom

- Do not hit anyone in the classroom.
- Do not climb on the desks.
- Do use a sharpener while sharpening.
- Be careful while using scissors and needs.

Safety on the Play ground

- Learn and follow the rules of the game.
- Do not hit others as it may cause injury.
- Wait for your turn at the swing or at sea-saw.

LEARNING OBJECTIVE :

Learners will know how to be safe on the road and safe at home.

BE SAFE ON THE ROAD

- Walk on the footpath or on the safe side of the road.
- Cross the road at the zebra crossing. Before crossing look to your right and then to your left and again to your right to ensure that the road is clear to cross. Also you can cross the road when the traffic stops.
- When riding a bicycle, keep to your left and signal before turning.
- Do not get into or get off a moving bus. Do not put your head or hand out of a moving
