Cities of India

- **A city is a human settlement that is much larger than village or a town.**
- **City is bigger and a busier area. Here people live in small apartment buildings.**
- **In city thousands of people are crowded into a small area.**
- **Most of the people work in factories or in offices.**
- **Cities have many tall buildings, modern roads and flyovers.**
- **India has many large cities. some of the oldest and largest cities are Delhi, Mumbai, Kolkota and Chennai.**

INDIA

States and Union Territories

Kolkata

- Kolkata is the capital of West Bengal.
- Kolkata was earlier known as Calcutta.

Location

- It is situated on the east bank of the River Hooghly.
- Kolkata is located a little away from the seacoast.
- It has an important port called Diamond Harbour.
- Ships bring goods from other countries, and take goods to other countries

Government offices

- All the important offices of the State Government are in the city.
- The Chief Minister and Governor of the state work and live here.

Mamata Banarjee

Climate

- Being near the seacoast, Kolkata has a moderate climate.
- It is neither very hot in summer, nor very cold in winter.
- It rains heavily during the monsoon months of June to September, often leading to water logging in the city.

Clothes

- The traditional dress for men in Kolkata is the dhoti kurta or pajama kurta.
- However, many have changed over to shirts and trousers.
- Women mostly wear sari-blouses and salwar kameez.

Video
