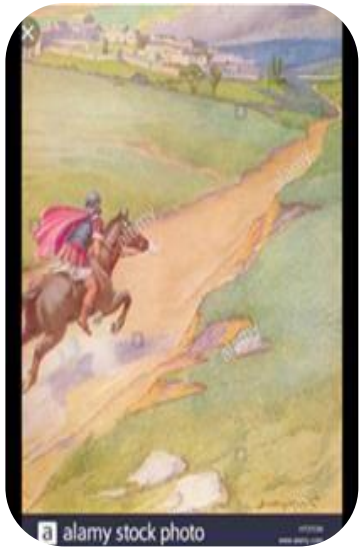
CHANGES IN MEANS OF COMMUNICATION

- Even a hundred years ago, communication over long distances was slow and difficult. Often, messengers carried messages on foot, or on horseback.

- Pigeons were also used to carry letters. It could take weeks or even months for a message to reach.



Communication can be of two types - personal communication and mass communication.

PERSONAL COMMUNICATION

- Communication that takes place between two or a few people is called personal communication.

Postal System

- Letters are one of the most common means of personal communication.
