INDEPENDENT

CONFIDENCE

**Self-sufficiency
means Independence.
Sufficiency is not
depending or not
leaning on others for
everything.**

Self-sufficiency is freedom. But it is not freedom alone. It is freedom with responsibility.

**Self-sufficiency
means depending
more on self and
less on others.**

**Self-sufficiency
means work
with discipline,
obedience and
self- control.**

How we can be Self- sufficient

- **You can be self-sufficient by trying to do some of your work by yourself.**
- **Learn to do your class-work and homework on your own. Do not ask for help of others without trying. You may ask for help after trying of your own first.**
- **Do your Test or Exam without copying or cheating.**
- **Learn to do your work at home without depending upon servant, mother, father or any other members of your family.**
- **You must do the work if you think it right, or it does not harm others. When you know that a thing is wrong, you should not do it. If everyone else around you is doing it, face it with courage.**
