THE KING AND THE SPIDER

Robert Bruce, the king of Scotland was defeated six times in the battlefield. His enemies occupied his kingdom. He went away from his kingdom and hid himself in a cave. There he saw a spider trying hard to climb up the ceiling. It fell six times but did not give up his efforts. As a result, it ultimately succeeded. At this, the frustrated king was greatly encouraged, and said to himself, if the spider can succeed to reach the ceiling on the seventh attempt, then why not I resolve to fight my enemies again to take a sweet revenge. He collected his lost spirits and went to the battlefield. He fought with renewed vigour in his arm and energy and ultimately succeeded.
