Subject- snowfall fun

Dear surya

Life is full of experiences. I have been to different hill stations, but never had the fortune of experiencing a snowfall. This winter we went to Gulmorg to watch the winter games. The landscape took my breath away. The mountains all around were covered with sheets of snow. The most unexpected thing happened from my hotel room window. I saw snow falling outside. We ran out to enjoy the snowfall. I threw snowballs at others.

This is how I spent my winter vacation . What did you do in winter? Do write me back. I would love to read about it.
