Answer the following:

9. What is dairy farming? (2)

10.. My uncle is seriously ill. I want to reach him as soon as possible. What means of transport I should use? Think and explain. (4)

REVISION TEST - 1

Answer the following:

9. What is dairy farming? (2)

Ans:- Dairy farming is an important occupation for rearing animals, particularly cows, for producing milk and milk products.

10.. My uncle is seriously ill. I want to reach him as soon as possible. What means of transport I should use? Think and explain. (4)

Ans:- How to reach my uncle, who is seriously ill, depends on where he lives. If he is living in a distant place then we use the means of air transport or aeroplane to reach him soon and if he is living nearer to us then we can opt for land transport like bus, car, train so that we can reach him in time and save his life.
