Answer the following questions

11. **Write about some harvest festivals of India.**

Ans- The harvest festivals of India are Bihu, Onam, Pongal, Baishakhi etc.

12. **Name the national festivals of India.**

Ans- The national festivals of India are Republic day, Independence Day and Gandhi Jayanti.

13. **Name the crops grown by Indian farmers.**

Ans-Indian farmers grow crops like grains, pulses, oilseeds, cotton, jute etc.

14. **Why do so many occupations depend on mining?**

Ans -Many occupations depend on mining because mining gives many digging minerals like iron ore, aluminum, manganese, coal, petroleum etc.

These metals are used to make a variety of products like utensils, bikes, machines, railway engines etc.. Petroleum gives us petrol, diesel, plastics and medicines. Petrol and diesel are used to run cars and buses.

15. **Explain poultry farming.**

Ans-Poultry farming involves rearing hens, ducks and geese for their meat and egg.
