move too fast

too big to be eaten up by other animals

Mix and merge with the surrounding

- ❖ **Animals who feeds on the bodies of other animals.**

parasites

- ❖ **Name one wildlife conservationist.**

Steve Irwin

ACTIVITY:

Materials required:

- Papers (black/ white /green/brown A4 size sheet)
- Glue
- Scissors
- Pencil or Sketch pen for drawing
- Colour pencil for colouring

PROCEDURE

- Take a white sheet cut it into the shape similar to oval .
- Now take black sheet and make cut out of legs and hands of panda.
- Again with the help of black sheet make the cut outs of two eyes , ears and one nose.
- Cut two small circles for white portion of eyes and colour it to look like eyes of panda.
- For making narrow stick of bamboo , take brown sheet and make cut out accordingly.
- Leaves should be made with the help of green sheet(if available).
- Assemble all the cut outs and paste in their appropriate places.
