# Practice questions

1. When does population become human capital ?
2. What do you understand by the term 'National Income'?
3. What is Infant Mortality Rate ?
4. How can a large population be turned into a productive asset ?
5. What do you understand by Seasonal Unemployment ?
6. When we refer to a person as a 'resource', we are referring to which of his/her skills?

7. Distinguish between market activities and non-market activities.

8. What are the objectives of the 12th Five Year Plan in the field of education?

9. What are the measures taken by the government to improve literacy conditions in India?

8Ans. The 12th plan endeavoured to raise the country's Gross Enrolment Ratio (GER) in higher education in the age group of 18 to 23 years to 25.2% by 2017-18 and to reach the target of 30% by 2020-21, which would be broadly in line with world

average. The strategy focuses on increasing access, quality, adoption of state-specific curriculum modification, vocationalisation and networking on the use of information technology. The plan also focuses on distance education, convergence of formal, non-formal, distance and IT education institutions.
