

Chapter- 10

Transport

STUDY NOTES**Let's Learn:**

- There are many ways in which we travel from one place to another.
- Bicycle, rickshaw, scooter, motorcycle, car, bus, train, aeroplane and ship are different means of transport used by us to travel from one place to another.

Land Transport:

- Land transport is the movement of people, animals or goods from one place to another on land.
- The two types of land transport are road transport and rail transport.
- Examples are bus, truck, car, cycle, tonga, train etc.
- Animals are also used to carry goods and people.
- Bullocks, camels and horses are used to pull carts.
- A horse-driven cart is called a tonga.
- When we travel to another town or city we go by bus or train.

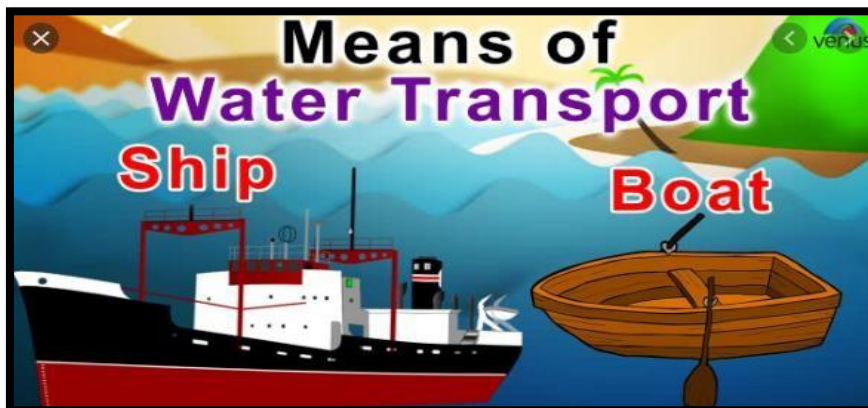

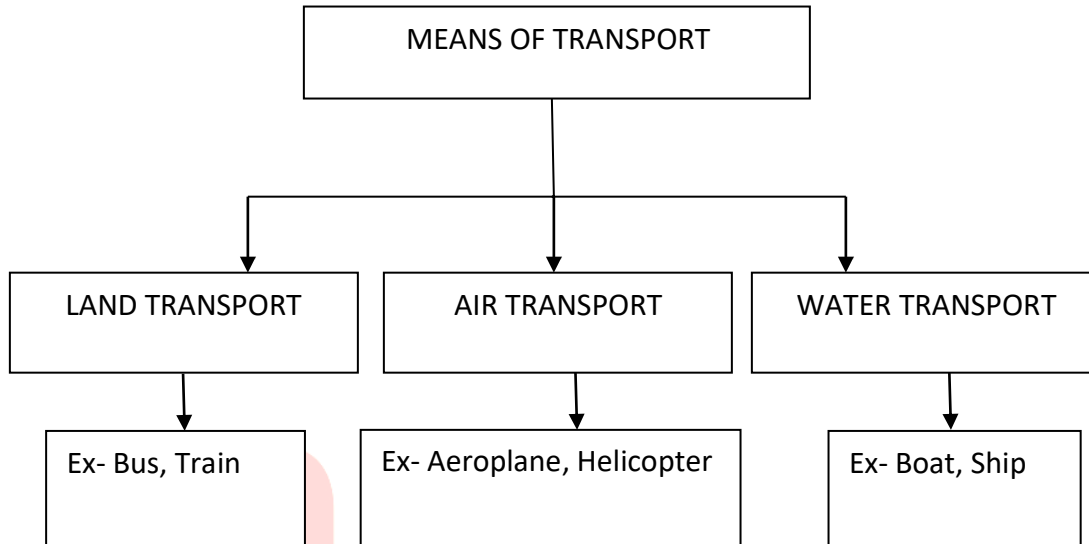

Air Transport:

- Air transport can move people and goods from one place to another very quickly in air.
- Examples are aeroplane and helicopter.

**Water Transport:**

- Water transport is movement of people and goods from one place to another over a body of water.
- Examples are boat, ship, sailboat etc.
- People travel on the river by boat.
- Sometimes people sail to another country on a ship.
- Ships sail on the sea.

MEMORY MAP**Let's Know More:****1. Mark True or False.**

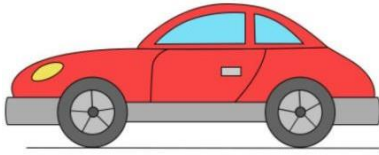

- Different means of transport used by us to travel from one place to another. ()
- A horse-driven cart is called a tonga. ()
- When we travel to another country, we use a bus. ()
- People travel on the river by car. ()

Let's Do:**2. Fill in the blanks with words from the help box.**

ship	train	bus	aeroplane	boat
------	-------	-----	-----------	------

- People go by _____ or _____ when they travel to another town or city.
- People travel by sea on a _____.
- On a river, people travel by _____.
- When we want to reach a distant place quickly we travel by _____.

3. Look at the pictures and complete the table.

4. Cross the odd one out.

- Car/boat/train/tractor
- Cycle/scooter/bus/motorcycle
- Bullock cart/camel cart/tonga/truck
- Car/bus/train/ship

Teacher's Note:

- Make a paper folding boat, decorate it and paste it in the scrapbook.

Improve Your G.K.:

- The road network in the United States is the biggest one in the world.

- One of the oldest type of transportation is boat.

Answer Key:

1. a. True
b. True
c. False
d. False
2. a. train,bus
b. ship
c. boat
d. aeroplane
3. a. Move on Land→car, bicycle, scooter, auto rickshaw, bus
b. Move on water→ Ship, Boat
c. Fly in the air→ Aeroplane
4. a.boat
b. cycle
c. truck
d. ship
