

Chapter- 4

In the Kingdom of Fools

STUDY NOTES

- A guru and his disciple visit a kingdom. They are surprised to find the whole kingdom asleep during the day. The duo understand that the people were following the instructions of the king.
- The guru being a wise man, decides to leave the place as he realises the danger of staying in the kingdom of fools.
- The guru leaves the city, but the disciple stays behind to eat and be merry.
- A very unfortunate incident happens in the kingdom. In the process of awarding justice to the victim, the king commits one foolish act after another and ultimately, succumbs to the wisdom of the guru, who returns to save the life of his disciple.
- The foolish king and his minister fall in to the trap set by the guru.
- Eventually, the guru and his disciple take over the kingdom as the king and minister, and restore normalcy in the kingdom.
