4. Some prepositions have been used incorrectly in this passage. Circle the incorrect prepositions, replace them with the correct ones and state whether it is a preposition of time, place and movement.

Ravi, Rekha and Asif are best friends. Every evening they play in the terrace after Rekha's house after returning with school. Above that, they walk home. When it rains, they play with Rekha's house.

Sometimes, they go to Asif's house of the main street.

at- preposition of place

from- preposition of movement

After - preposition of time

at- preposition of place

across - preposition of place
