Refreshing

Read the given extract and answer the following questions:

“Let's turn off the rain tap, she tells her grandpa.”

1. Name the speaker.

Ans- Nona is the speaker.

2. The speaker wants to turn off the rain tap. State the reason.

Ans- Nona was not able to play outside due to heavy rain. So she asked her grandpa to turn off the rain tap.

3. Did Nona's grandpa turn off the rain tap?

Ans- Yes, he turned off the rain tap.

‘They are happy even when it is raining.’

1. Who is the speaker in the above line?

Ans- Nona is the speaker in the above line.

2. Why did she say the above line?

Ans- She said the above line because she thought that the children cannot play and enjoy when it rains so she stopped it by turning off the rain tap.

3. Mention when did Nona realise that she needs water.

Ans- When Nona felt thirsty; she started to wail, then she realised that she needs water and the rain tap should be turned on for all.

LEARNING OUTCOME:

- Writing skill is enhanced and the students attempt to answer the questions correctly.
