What is the futur simple?**formation**

The 'simple' future (**le futur**) is so-named because it is a one-word tense. In other words, its formation is simple because there is no auxiliary.

The endings for the simple future are: **-ai, -as, -a, -ons, -ez, -ont**. The future stem for **-er** and **-ir** verbs is the infinitive. For regular **-re** verbs, the stem is the infinitive minus the final **e**. In all cases, the future stem ends in **-r**: this sound characterizes the future and the conditional. The French simple future tense is generally translated into English with the modal auxiliary 'will.'
