Gist of the story

- **This story is based on an expedition to the Amazon.**
- **Two brothers Suleiman and Zaid are having conversation on it.**
- **Zaid is the elder one, who is an explorer and is ready for an adventurous expedition.**
- **The expedition is on travelling across the world's largest river.**
- **It is the Amazon River in the continent of South America.**
- **The Amazon originates from the Andes Mountains and is almost 6400 kms long.**
- **It looks like almost a sea.**

- **According to Zaid, Amazon is located to the right of the equator.**
- **Almost every day it experiences rainfall.**
- **The design of the river is as a saucer.**
- **Hence, all the rain water gets collected in the Amazon River.**
- **The Amazon River is surrounded by the thick rainforests.**
- **The trees there are very close to each other, so flow of water is very slow.**

➤ **There are no roads and bridges, hence people have to rely on pack rafts, canoes and boats.**

➤ **Suleiman is very much excited to know more about the Amazon River.**

➤ **Zaid takes the help of internet to make his brother gather information about the Amazon.**
