WORKSHEET

I) Fill in the blanks :-

- a) My pen is 10 cm Long.
- b) The length of a river is measured in meter.
- c) 1 m = 100 cm.
- d) 1 kg = 1000 g.

II) Do as directed:-

A) 1) 14 m 30 cm                      a) 83 m

14 m 30 cm                              83 m

14 m = 14 × 100                      83 m = 83 × 100

= 1430 cm                              = 8300 cm

B) 1) 796 cm                              a)

796 cm

796 = 7 ~~9~~ 100

= 700 m 96 cm
