Some Tips To Protect Tigers

- We can create awareness among people. We can increase the attention to "Save tigers" by creating leaflets and advertising the cause on internet websites.
- To preserve the tigers we must stop the poaching even if the government has banned the selling of tiger's skin, bones, poaching however is still prevalent it is very important to stop this unlawful act and promote tiger-friendly policies.
- Our jungles are getting destroyed and that could be a significant cause why tigers are disappearing. So protecting jungle is also important to protect tiger.
