My dear friends

I hope this letter finds you well.

I am fine here. I am going to be glad to inform you that my birthday is on 17th May and my family has organized a small party on this occasion. I am going to celebrate my 9th birthday. I have invited my neighbours and all my friends to this party. We shall have dance, music program and games. The venue is at my home and everyone has to be present at 6:30 p.m. I wish that you will come to my birthday with your family and grace the occasion with your presence.

With lot's of love

Aayush Ray
