

Homework

1. Choose the appropriate form of the verb to complete the following dialogue. One has been done for you.

Nedra: Of course, Ronaldo has always been my favorite player! Don't ~~at~~ tell me you like Messi more!

Scout: Sorry but I do! He plays so well in the league right now. You cannot deny that he stands among the best ~~now~~ ~~you~~ forwards in the history of football. Surely, there must be some reason why people ~~at~~ call him 'Messiah'!

Nedra: But unlike Messi, Ronaldo is ~~a~~ strong on both his left and right foot. Let's not forget that Messi has not able to win the world cup for Argentina.

Scout: ~~Do~~ Do you think that makes ~~a~~ less of a player? After all it's not an individual sport and the balance should be on entire team.

Nedra: I am agreeing. Let's not argue further. I think both of them are great players and have contributed a lot to the game.

2. Identify the tense of the underlined verbs in the following sentences.
